SPECIAL TOWN MEETING

February 11, 1941

Pursuant to the within warrant a special meeting of the inhabitants of Weymouth, represented by its duly elected and qualified Town Meeting Members was held in the hall of the Weymouth High School, this eleventh day of February, 1941, 172 Town Meeting Members names being checked by police stationed at the doors for that purpose, out of 351 members eligible.

The meeting was called to order at 7:58 o'clock in the evening by Daniel L. O'Donnell, Annual Moderator, who requested the Town Clerk to read the warrant for the meeting. He also read the attestation of the constable who served the warrant.

The Moderator requested Rev. Albert C. Niles, pastor of the First and Second Universalist Churches of Weymouth to invoke the blessing of the Ruler of the Universe upon the deliberations of this meeting.

26 Town Meeting Members were sworn as such by the Moderator.

Article I of Warrant

Mr. Field (for the Appropriation Committee) moved: No action on the article in the Warrant for the Special Town Meeting of February 11, 1941.

Mr. Fern (for the Committee on National Defense) moved a substitute motion as follows: That the town instruct its Board of Selectmen to take by right of eminent domain in fee a certain parcel of land bounded and described as follows:

Beginning at a point on Union Street at the town boundary line of the towns of Weymouth and Rockland; thence extending along Union Street in a northwesterly direction to the intersection of said street and Central Street; thence along Central Street in a northwesterly direction to its intersection with Pleasant Street thence southwesterly along Pleasant Street to its intersection with Main Street; thence southerly along Main Street to the point where the location of the New York, New Haven and Hartford Railroad intersects said Main Street; thence southerly along the location of said railroad to a point in the boundary line of the towns of Weymouth and Abington; thence northeasterly along the town line of said Weymouth to Union Street; thence along said Union Street to the point of beginning—

for use as a municipal airport or landing field but no action shall be taken hereunder until the proper authorities of the United States Government have given the Board of Selectmen satisfactory assurances of their desires to use and occupy such airport or landing field for lighter than aircraft and the

Board of Selectmen are further instructed to lease or convey such property by an instrument in form to be approved by the attorney general to the United States of America for the purposes of national defense and for this purpose the sum of \$35,000.00 dollars is hereby appropriated and the town counsel is authorized to obtain such assistance as, in his opinion, may be necessary to effectuate the purposes of this vote and upon his approval accounts rendered for such services shall be a direct charge upon this appropriation.

The following tellers were appointed by the Moderator, it being necessary to obtain a two-thirds vote on the substitute motion as presented by Mr. Fern: 1st division, Merton Loud; 2nd division, Ralph P. Burrell; 3rd division, Timothy Osborne.

The tellers reported 10 members voting in the affirmative and 138 in the negative.

The Moderator declared the motion lost.

Mr. Prince Tirrell moved: In the event that the Federal Government takes any portion included within the area described in the previous motion that the Board of Selectmen offer the Federal Government the use of the plans and surveys belonging to the town which may assist in determining the area that is to be taken.

Motion seconded by Mr. Irving Johnson.

So voted. Unanimously.

Motion of the Appropriation Committee as made by Mr. Field was unanimously adopted.

Mr. Melville Cate moved to adjourn.

The meeting was declared adjourned without date at 8:45 p.m.

Constable of Weymouth.

ANNUAL TOWN MEETING

March 3, 1941

Pursuant to a warrant duly issued the annual meeting of the inhabitants of the Town of Weymouth represented by its duly elected and qualified town meeting members was held at the hall of the Weymouth High School, East Weymouth on Monday, March 3rd, 1941. 229 town meeting members being checked by the police stationed at the doors for that purpose.

The meeting was called to order at 7:52 o'clock in the evening by Daniel L. O'Donnell, Annual Moderator.

The attested copy of the warrant for the meeting was read by the Town Clerk. Mr. Cate moved that the reading of the articles be dispensed with. So voted. The Rev. William G. Sewell, Pastor of the Pilgrim Congregational Church of North Weymouth was called upon to invoke the Blessing of the Ruler of the Universe upon the deliberation of the meeting.

19 Town meeting members not previously sworn in to the duties of their office were at this time sworn by the Moderator.

At this time Mr. Field presented to the meeting a resolution on the death of Mr. Daniel P. Cummings, former member of the Appropriation Committee, and moved that such resolution be spread upon the records of the Town. So voted.

RESOLUTIONS ON THE DEATH OF DANIEL P. CUMMINGS

ADOPTED BY THE APPROPRIATION COMMITTEE

OCTOBER 18, 1940

Whereas, Almighty God in his infinite wisdom, has seen fit to call our esteemed fellow member and former chairman, Daniel P. Cummings, to his

early but well-earned reward, therefore, be it

Resolved: That we bow in reverence to the mandate of our Creator, and recognize that in the passing of Daniel P. Cummings we have lost a worthy colleague and valued friend; and the community a most capable representative and generous benefactor, possessed of a genial disposition, ever willing to aid the less fortunate, comfort and encourage the distressed and disheartened, endeavoring always to smooth life's road for all with whom he came in contact. And be it further

Resolved: That we cherish his memory and in token of our high honor and esteem these resolutions be spread on the records of the Town of Weymouth.

The Moderator referred to Mr. Cummings' past record as an outstanding citizen of our community and requested the assembly to rise in a moment of silent tribute to the memory of Daniel P. Cummings.

Mr. Frederick Humphrey at this time presented to the Moderator a gavel for the conducting of such meetings which was appropriately accepted by the Moderator.

The Moderator then called for consideration of the articles in the warrant.

Rev. William G. Sewell reported for the Committee studying Relief as follows:

REPORT OF COMMITTEE ON STUDY OF RELIEF

To the Town Meeting Members of Weymouth

Gentlemen:

At a special town meeting called on October 14, 1938, it was voted that the Town Moderator appoint a committee to make a survey of our system of Public Relief and its administration, said committee to report to the annual town meeting.

In March 1939 a comprehensive report was made, giving a review of the entire survey, and making certain suggestions which would lead to creating better relations between the department and each individual case.

A new system of bookkeeping was established which has been in operation for three years, a period long enough to enable us to say that it has proven to be most satisfactory.

On March 4, 1940, your committee was asked to continue its work for another year. At that time we made our annual report, and suggested that all orders issued by the Department of Public Welfare be dated and bills presented within a limited length of time, so that payment might be made as near to the month of issuance as possible.

During the past year we were notified of the resignation of Mr. Harry

J. Dowd and of the appointment of Timothy G. Osborne, to fill his unexpired term.

Regular weekly visits have been made to the department offices, which have afforded us an opportunity to keep in close touch with the work at all times.

Your committee recommends that this committee or its successor make a study of the policies of administration in the Departments of Public Welfare in several other Massachusetts municipalities the size of Weymouth in order that we may improve (if possible) our present system.

We are unanimous in expressing our appreciation to the Board of Public Welfare, its agent and office personnel for their constant co-operation in our work.

Respectfully submitted,

WILLIAM G. SEWELL

BEATRICE W. BICKNELL

TIMOTHY G. OSBORN

JULIAN R. MERCHANT

Town Clerk

Wednesday, March 5, 1941

The time to which the Annual Town Meeting adjourned having arrived the Moderator called the meeting to order at 7:48 p.m. and requested Rev. William G. Sewell of the Pilgrim Congregational Church of North Weymouth to invoke the Divine Blessing.

182 Town Meeting members were checked by the police as being present.

One Town meeting member who was not previously sworn to the duties of his office was at this time sworn by the Moderator.

Selectman Callahan filed with the Chair, objections to votes taken under Article one.

ARTICLE 2. Mr. Field, for the Appropriation Committee, moved: The sum of \$70,000. shall be raised and appropriated for proving co-operation with the Federal Government or other agencies in unemployment relief and other projects of direct or indirect benefit to the Town or its inhabitants which sum together with the unexpended balance of the appropriation made for similar purposes last year, shall be expended under the direction of a Committee consisting of the executive head of the Welfare Department, the Chairman of the Board of Selectmen, the Chairman of the Planning Board, the Chairman of the Park Commissioners and Superintendents of the School, Street, and Water Departments. Provided that all outstanding accounts may be paid from this appropriation upon approval by the Committee set up hereunder.

Mr. Hodges, Chairman of the Committee on Expenditures of Town Funds under Art. 2 of the warrant of 1940, read the following report:

Weymouth, Mass., Feb. 27, 1941

Mr. Moderator and Town Meeting Members:

The special committee of three appointed by the Moderator in accordance with motion made by Mr. Callahan at the last Annual Town Meeting, as follows: "That the Moderator appoint a committee of three (3), with the same powers and duties imposed upon the Welfare Committee, to study expenditures of Town funds under this article.", respectfully submits the following report.

Several meetings were held by your committee at which we carefully examined all bills, correspondence, and records pertaining to the W. P. A. Committee activities. In addition to the examination and study of the records and details of the W. P. A. Committee itself, your committee met with the Town Accountant and thoroughly examined his records of expenditures made by the W. P. A. Committee and found them to be in exact accord with the records of that committee.

In examining the records of expenditures on file in the office of the clerk of the W. P. A. Committee we found them to be kept in a business-like manner, complete as to detail, easily available, and segregated into each separate project so that a complete and individual cost of each project is on record for examination at any time.

From the correspondence and records of the W. P. A. Committee we found that quotations had been obtained before making expenditures from several dealers and the lowest price selected. We also found that in all instances of projects involving expenditures relative to road work, highways, sidewalks and like work, the prices obtained were the same as those obtained by the Town Street Department and that the W. P. A. Committee were able to obtain these low prices because of the fact that the Street Department had contracts with such suppliers of materials.

Your committee also met with the W. P. A. Committee members and went into all details of their expenditures and methods throughly, with a view to finding out how they operated and to satisfy ourselves, that they were fulfilling their duties to the best interest of the Town.

Your committee feels that the system which the present W. P. A. Committee has adopted in conducting its affairs is being run efficiently and that the records and expenditures are being kept in a business-like manner and are readily accessible. Full co-operation was given us by the W. P. A. Committee in our investigation.

In conclusion, your Committee is fully satisfied that the present W. P. A. Committee as now organized is fulfilling its duties properly, is careful of its expenditures, and is keeping complete and proper records of same. We feel that the present W. P. A. Committee, "consisting of the executive head of the Welfare Department, the Chairman of the Appropriation Committee, the Chairman of the Planning Board, the Chairman of the Park Commissioners, and the Superintendents of the School and the Street Departments, and a representative of the Water Department", is fully qualified to continue to handle any funds which the Town may appropriate for W. P. A. expenditures.

LESTER W. TISDALE
CLARENCE P. ROUNDS
WILLIAM A. HODGES, Chairman

Selectman Callahan offered a substitute motion as follows: That the sum of \$20,000. be raised and appropriated for the construction of sidewalks, curbings and streets approved by the Selectmen, said sum to be for materials and supplies and work to be supervised by the Street Department, and further, That the sum of \$50,000. be raised and appropriated for the Welfare Department, who shall certify to the Street Department the names of all able-bodied men who have been on welfare one week prior to certification. The Welfare shall, upon notice that a sufficient amount of work has been performed satisfactorily, reimburse said worker from the above sum at the rate of \$5. per day, provided, that no family shall receive in excess of \$16. for any one week from this sum nor less than \$5.

Mr. Cate moved: To amend the Appropriation Committee's recommendations by substituting the amount of \$50,000.

Mr. Charles Griffin moved: To amend the Appropriation Committee's recommendations by substituting the amount of \$60,000.

Mr. Buchan moved: To amend Mr. Cate's amendment by substituting the amount of \$30,000.

The amendment of Mr. Charles Griffin being the larger amount was first voted upon and so voted. This amount being adopted the amendments of lesser amounts was not voted upon.

Mr. Faul doubted the vote and the following tellers were appointed and sworn by the Moderator: Mr. Osborn, Mr. Ditchett, Mr. Wallace and Mr. Silvester.

Report of **Tellers on Motion of Mr. Griffin** was 95 in the affirmative and 48 in the negative.

Motion of the Appropriation Committee, as offered by Mr. Field, and thus amended, was adopted.

ARTICLE 3. Mr. Field, for the Appropriation Committee, moved: Of the money appropriated under Article 2 of this Warrant, \$25,000. of the amount so provided shall be set apart for the purpose of constructing permanent sidewalks and/or curbings throughout the Town in accordance with a plan of the Planning Board who, with the Agency set up under Article 2 shall be the Sponsors for all sidewalk and curb projects under this Article.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 4. Mr. Field, for the Appropriation Committee, moved: That all Committees who have not rendered a final report to be continued until the work under charge is completed.

The Committee appointed in accordance with the vote taken at the Annual Town Meeting of 1940 to consider the matter of salaries, wages, vacations and sick leave submit the following report:—

The Committee appointed in accordance with vote at last annual Town Meeting to consider matter of salaries, wages, vacations and sick leave, after considerable study, comparisons and thought, submit the following recommendations.

- Paragraph
1. While there is some variance in salaries and wages paid for similar positions in number of Towns and smaller cities comparable to Weymouth in population, valuation, etc., considering the matter in a general way, those paid in Weymouth compare favorably.
 2. We feel there is a certain security of employment for those working for the Town of Weymouth, which is not always true in private employment. There also is the advantage in saving of travelling costs, in both money and time, compared with those employed at greater distances from home. We think these facts should be considered by both employees and Town Meeting members.
 3. Our thought is to try to make suggestions which may be adopted for future guidance, rather than to disturb salaries and working conditions of employees who have been in employ of Town for any considerable length of time. We do not feel our recommendations should apply to 1940 budget under consideration at this meeting.
 4. On vacations, it is present practise in most departments to allow employees a two weeks vacation with pay. We recommend that this be adopted generally after employee has served Town continuously for one year or longer.
 5. On sick leave, we feel this should be left with the head of each department, as his judgment should govern whether this privilege is abused by any of his employees, and decision made accordingly.
 6. Your committee, having in mind that all employees doing the same style of work should have the same scale of pay and the same opportunities for advancement submit herewith minimum and maximum salary recommendations, with the feeling that the adoption of these recommendations will
 - A. Eliminate any feeling of discrimination between departments.
 - B. Give each department head a base on which to project present and future salary and wage payments.
 - C. Give each employee the incentive to work toward personal advancement.
 - D. Result in standard salary and wage scales and uniform vacation periods, both of which are fair and equitable to both employees and the taxpayers of the town.
 7. Having the thoughts contained in paragraphs two, three, and six in mind, we recommend that:
 - A. No changes be made which would reduce remuneration of employees who have served Town for three years or more unless for justifiable reasons.
 - B. For clerical and stenographic work a minimum salary of twelve dollars per week be established and a maximum of twenty-five dollars per week.

- C. Increases from minimum shall not be more than two dollars per week per year.
- D. If, on account of previous service, experience and capabilities, a clerk is started at a wage above the minimum, they shall not receive the maximum of twenty-five dollars per week until they have served the Town for at least three years.
- E. Should conditions arise which cause department head to feel the restrictions in sub paragraphs B and D should be waived, this can only be done with the approval of the Appropriation Committee.

- Paragraph 8. It should be understood by Town meeting Members that recommendations made by us, and if accepted by them, will not be effective and will not change any requirements controlled by State or Federal Government.
- 9. On School Department, we feel salaries and working conditions for all employees should be left to the School Committee, subject to the approval of the Town Meeting.
 - 10. Police Department, we recommend no changes.
 - 11. Fire Department, in making comparisons we feel there should be a gradual readjustment made in salaries to bring them up to a higher standard, and so recommend.
 - 12. Street Department, we recommend no change.
 - 13. Water Department, we feel there should be a readjustment made in salaries of laborers to equal that amount paid in Street Department for the same type of work.
 - 14. Welfare Department, we feel that the recommendations contained in paragraph seven should apply to all office employees in this department.
 - 15. On any appointive or elective positions, not referred to in these recommendations, we feel there should be no changes in salary made without first obtaining the approval of the Town Meeting.
 - 16. Should a vacancy occur at the head of any of the various departments, we recommend that the successor appointed, shall not receive the maximum salary or wage until he has served at least two years in the position.

Respectfully submitted,

JOSEPH R. NEWTON

A. WESLEY SAMPSON

Mr Sampson of the Appropriation Committee moved: That the report of this committee be accepted as read and the recommendations of this committee be adopted.

Mr. Drown moved to amend Mr. Sampson's motion as follows: Amendment to report on salaries, wages, vacations and sick leave for town employees:

Library Department: Salaries and working conditions for employees should be left to the Trustees of the Tufts Library, subject to the approval of the Town Meeting.

This to be added to the report of the committee and to be known as paragraph 9B of the Committee's report.

Mr. John Wm. O'Donnell moved: to accept the report of the committee as thus amended by Mr. Drown and that no action on the adoption of the report of the committee to study salaries, wages, vacations and sick leave be taken at this meeting.

So voted.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 5. Mr. Field, for the Appropriation Committee, moved: That the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the fiscal year beginning January 1, 1941 and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with General Laws, (Ter. Ed.) Chapter 44, Section 17; and debts incurred under this vote to be paid from the revenue of the fiscal year beginning January 1, 1941.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 6. Mr. Field, for the Appropriation Committee, moved: That the Town Treasurer with the approval of the Selectmen be and hereby is authorized on and after January 1, 1942 to borrow such money from time to time in anticipation of the revenue of the fiscal year beginning January 1, 1942 and to issue a note or notes therefor payable within one year from the date of issue and that any debts incurred under this vote be paid from the revenue of the fiscal year in which they were contracted. Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 7. Mr. Field, for the Appropriation Committee, moved: No action.

Motion of the Appropriation Committee as offered by Mr. Field, was unanimously adopted.

Mr. Gunn asked unanimous consent to consider Article 57 of the Warrant in conjunction with Article 8.

Unanimous consent did not prevail.

Mr. Gunn then moved to take up Article 57 of the Warrant at this time. So voted.

ARTICLE 57. Mr. Field, for the Appropriation Committee, moved: That the Town instruct the Board of Assessors to furnish the Board of Selectmen with a list of all assessed valuations of real estate for publication in the annual Town Report for the year 1944.

Mr. Gunn then explained to the assembly the purpose of revaluation of property in Weymouth within the Assessor's Dept., with relations to a list of all assessed valuations of real estate for publication in the annual Town Report for the year 1944.

Mr. Stein of the Appropriation Committee moved: To amend the recommendations of the Appropriation Committee under Article 57 as follows: For the purpose of carrying out the intention of the motion as presented in Article 57 the sum of \$2250. be raised and appropriated.

Motion lost.

Selectman Callahan raised a point of order on the amendment offered by Mr. Stein.

Moderator ruled that point of order was not well taken.

Selectman Callahan then appealed from the ruling of the chair.

Chair sustained in his ruling by vote of Town Meeting Members.

Mr. Dasha moved: The previous question.

Selectman Callahan moved to amend the amendment of Mr. Stein as follows: That the sum of \$2,000. be raised and appropriated for the use of the Selectmen's Department to assist the Assessors in their functions

under Article 57.

Motion lost.

The previous question was ordered and the motion of the Appropriation Committee, as offered by Mr. Field, was adopted.

ARTICLE 8. Mr Field, for the Appropriation Committee, moved: That the Selectmen be authorized to sell or otherwise dispose of personal property and any real estate of which the Town has possession or title including all property taken for non-payment of taxes, all such cases of sale to be made by public auction or private sale as the Selectmen may deem for the best interest of the Town and that the Board or Officer in charge of any other Town Department may, with the approval of the Board of Selectmen, sell at public auction or private sale as the Board of Selectmen may approve, any personal property belonging to said Department which in the opinion of the Officer or Board in charge of the Department is no longer needed by the Town and which in the opinion of the Selectmen is not needed by any other Town Department.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 9. Mr. Field, for the Appropriation Committee, moved: That the Board of Selectmen be authorized to accept conveyances or mortgages of any real or personal property belonging to persons receiving relief from the Town and to dispose of said property under the provisions of Article 8 of this warrant in such manner as they may judge for the best interest of the Town and where said property is subject to any encumbrances if they consider it for the best interest of the Town to discharge said encumbrances, they are hereby authorized to do so.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 10. Mr. Field, for the Appropriation Committee, moved: That the Town accept the report of the Selectmen laying out the following designated private ways or parts of ways, to wit:

Aster Circle from Worthen Avenue to Worthen Avenue.

Carson Street from Homestead Avenue to Worthen Avenue.

Worthen Avenue from Homestead Avenue to Carson Street.

Browning Street from Homestead Avenue to Carson Street.

Riverview Place as shown on a map entitled "Plan of Prospect Hill, North Weymouth, Massachusetts" made by Russell H. Whiting, Civil Engineer, dated April 25, 1940.

Hill Top Road as shown on a map entitled "Plan of Prospect Hill, North Weymouth, Massachusetts" made by Russell H. Whiting, Civil Engineer, dated April 25, 1940.

Prospect Hill Drive as shown on a map entitled "Plan of Prospect Hill, North Weymouth, Massachusetts" made by Russell H. Whiting, Civil Engineer, dated April 25, 1940.

and that the Board of Selectmen be authorized to acquire by gift or purchase or take by right of eminent domain in fee or otherwise for all purposes of a public street or highway in and over said street or streets as so laid out and accepted and that the sum of \$6,570. be raised and appropriated for the acquisition and working of the foregoing taking or purchase including all damages; provided further that they may build any bridges, drains or conduits and secure any easements which may be neces-

sary and the Board of Selectmen are hereby authorized to accept deeds of any reservation strips existing in connection with any of said streets; and provided further that no work shall be done on any of these streets until at least 90% of the abutters, or 100%, if in the opinion of the Town Counsel that becomes necessary, have signed, executed and delivered to the Town Counsel proper releases. Provided further that the final naming of these streets when accepted must meet with the approval of the Planning Board, and the work on these streets shall be performed by the agency set up under Article 2.

Mr. Hoffman moved: That Article 23 of the Warrant be taken up in conjunction with Article 10. Motion lost.

Mr. Gunn moved: That Fort Point Road from River Street to Parnell Street be added to the streets recommended by the Appropriation Committee and that the Appropriation be increased by the amount of \$1100. to cover materials.

Motion lost.

Mr. Buchan moved: That that part of this article referring to Canacum Road be omitted.

Motion lost.

Mr. Stein of the Appropriation Committee moved: To consider Article 23 of the warrant before the remainder of Article 10 is dispensed with. So voted by $\frac{3}{4}$ vote.

ARTICLE 23. Mr. Field, for the Appropriation Committee, moved: That the Town take no action upon this Article.

Selectman Callahan moved to amend the Town By-Laws by adding the following:

Section 512; Any provision of the town By-Laws having to do with the acceptance of Streets, except Section 504 may be suspended by a $\frac{3}{4}$ vote of those present and voting at any Annual Town Meeting.

Mr. Shaftoe moved a substitute motion to amend the Town By-Laws by adding a new section as follows:

Section 512—Any street or way recommended by the Selectmen or any committee for acceptance as a public street or way of the Town of Weymouth may be accepted notwithstanding any such street or way has not been previously constructed and completed to the sub-grade in accordance with specifications set forth in Section 511, provided, however, that the abutting owners shall pay 50% of the actual cost to the Town of Weymouth of bringing such street or way to the specified sub-grade and provided further that no such street or way so accepted shall be worked unless and until at least 75% of the abutting owners shall have pledged over their signatures to repay to the Town of Weymouth 50% of the actual cost to the Town of bringing such street or way to such specified sub-grade and there shall have been deposited for such purpose with the Treasurer of the Town an amount of money equal to 50% of the estimated cost to the Town of bringing such street or way to the specified grade as determined by the Superintendent of Streets.

Motion lost.

Mr. Irving Johnson moved: That the present committee appointed under Article 10 of the 1940 warrant (on the motion of Mr. Gunn) be continued and that they report at the next Annual Town Meeting.

Motion lost.

Motion of Selectman Callahan was next considered and vote doubted.

More than a sufficient number having doubted, tabulation was ordered. Tellers reported 55 voting in the affirmative and 71 in the negative. Motion lost.

Recommendation of the Appropriation committee, as offered by Mr. Field, was adopted.

Selectman Lane moved: That the remainder of Article 10 be now acted upon. So voted.

Selectman Lane moved an amendment to Article 10 as follows: That Canacum Road as shown on a map entitled "Plan of Prospect Hill, North Weymouth, Massachusetts" made by Russell H. Whiting, Civil Engineer, dated April 25, 1940, for a distance of approximately 381 feet from Prospect Hill to Cliff Road.

A two-third's vote was necessary on this motion, the tellers reported 103 voting in the affirmative and 2 in the negative.

Selectman Callahan moved: The previous question on Article 10.

So voted.

Report of the Appropriation Committee as thus amended by Selectman Lane adopted.

JULIAN R. MERCHANT

Town Clerk

TOWN OF WEYMOUTH

Office of the Town Clerk

March 6, 1941

The Annual Town Meeting of the Town of Weymouth held on the third of March, 1941 at the High School Hall in East Weymouth, Massachusetts having been adjourned to Wednesday evening, March 5, 1941, is hereby further adjourned to meet in the hall of the Weymouth High School on Thursday evening, March 6, 1941 at 7:45 in the evening.

Julian R. Merchant,

Town Clerk

The time to which the adjournment of the adjourned Annual Town Meeting having arrived the Moderator called the meeting to order at 7:49 p.m. and requested the Rev. William G. Sewell, Pastor of the Pilgrim Church of North Weymouth to invoke the Divine Blessing.

139 Town meeting members were checked by the police stationed at the door.

Selectman Callahan presented a resolution as follows:

Whereas:

the residents of unaccepted streets have petitioned the Town to accept certain private ways, and

Whereas:

the town by-laws preclude the acceptance of said ways, and,

Whereas:

deferred action by the town meeting will work further hardships on a large group of Weymouth citizens:

Be it resolved:

that the Moderator appoint a committee of three, one of whom shall be an experienced road builder but who shall hold no town position except town meeting member, who shall present to the town clerk before May 1, 1941, an amendment to the by-laws that will enable a town meeting to accept any private way that has been travelled by the general public on or before Jan. 1,

1931, provided that proof that at least six houses on said way shall have been occupied on or before that date, shall be deemed proof that said way has been so travelled upon.

Resolution adopted.

ARTICLE 11. Mr. Field, for the Appropriation Committee, moved: That the Town take no action upon this article.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 12. Mr. Field, for the Appropriation Committee, moved: That the Committee be continued.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 13. Mr. Field, of the Appropriation Committee, moved: That the sum of \$10,000. is hereby appropriated for work on North Street, or Pearl and Norton Streets, \$5,939.72 of which shall be raised in the levy of the current year, and \$4,060.28 shall be appropriated from the Sale of Real Estate account provided that the State or County under General Laws (Ter. Ed.) Chapter 90 will pay a sum of money proportionate to the cost of construction under the provisions of said Chapter; provided that this work shall be performed by the Street Department; and provided that the Board of Selectmen is authorized to acquire by gift or purchase or take by right of eminent domain in fee or otherwise for all purposes of a public street or highway in and over said streets and that authority is hereby given for building any bridges, drains or conduits, or securing easements which may be necessary and that the Board of Selectmen is authorized to accept deeds of any reservation strips existing in connection with said Streets; and provided further that all damages resulting or occasioned by the construction shall be a charge against the sum appropriated.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 14. Mr. Field, for the Appropriation Committee, moved: That the Town raise and appropriate the sum of \$26,700. for the purpose of this article, and accept any funds offered by the State, or County, or both, for work on said streets or otherwise as Chapt. 90 Maintenance, provided the work be done by the Highway Department.

Mr. Field explained to the Town Meeting Members that an error had been discovered in the original recommendation of the Appropriation Committee under this article, and presented Article 14 in a new form as of above.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 15. Mr. Field, for the Appropriation Committee, moved: That the Town take no action upon this article.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 16. Mr. Field, for the Appropriation Committee, moved: That the Town take no action upon this article.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 17. Mr. Field, for the Appropriation Committee, moved: That the subject matter of this article be referred to the Agency set up under Article 2 of this Warrant.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 18. Mr. Field, for the Appropriation Committee, moved: That the Town instruct its Board of Selectmen to accept two easements in fee on its behalf for drainage purposes from River Street to Weymouth Back River, from Robert S. Bradley Estates, Inc., in accordance with plans of Russell H. Whiting, Town Engineer, dated October 19 and 21, 1940.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 19. Mr. Field, for the Appropriation Committee, moved: That the Town instruct its Board of Selectmen to accept two easements in fee on its behalf for drainage purposes from Domenick M. and Assunta Petrell in Oakwood Manor, so called, in accordance with plans of Russell H. Whiting, Town Engineer, dated December 26, 1940 and December 27, 1940.

Mr. Thomas J. Kelly moved to amend the motion of the Appropriation Committee as follows: That the Town instruct its Board of Selectmen to accept an easement on its behalf for drainage purposes from Frank Rubolino at 73 Pine Street, in accordance with plan of Russell H. Whiting, Town Engineer, dated December 31, 1940.

Motion of the Appropriation Committee, as offered by Mr. Field, and thus amended by Mr. Kelly, was unanimously adopted.

ARTICLE 20. Mr. Field, for the Appropriation Committee, moved: That the subject matter of this article be referred to the Street Department.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 21. Mr. Field, for the Appropriation Committee, moved: That the Town take no action upon this article.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 22. Mr. Field, for the Appropriation Committee, moved: That the Town take no action upon this article.

Selectman Callahan offered a substitution motion as follows:

That sum of \$4,000. be appropriated for salary and expenses for a purchasing department in accordance with the provisions of Chapter 41 (Ter. Ed.) Section 103, said department to start functioning May 1, 1941.

Motion lost.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 24. Mr. Field, for the Appropriation Committee, moved: We make no recommendation on this article.

Selectman Callahan moved as follows: That the Town petition the legislature for an act to amend Section 3 of Chapter 61, Acts of 1921 by inserting the following: "All ex-officiis members shall be without vote."

Moderator declared the motion lost.

Selectman Callahan doubted the vote. Vote being doubted by more than seven members, the tellers Mr. Silvester, Mr. Hausler and Mr. Wallace were called to tabulate the vote.

The tellers reported 42 voting in the affirmative and 42 voting in the negative.

It being a tie vote, the moderator then declared the motion as lost.

Motion of the Appropriation Committee, as offered by Mr. Field, was adopted.

ARTICLE 25. Mr. Field, for the Appropriation Committee, moved: We make no recommendation on this article.

Selectman Callahan moved as follows: That the town petition the legislature for an act to amend Section 8 of Chapter 61, Acts of 1921 by in-

serting the words "Voted upon" in place of the word "passed".

Motion lost.

Mr. Field, for the Appropriation Committee, then moved as follows: To amend Chapter 61, Acts of 1921 by adding to the fourth sentence in Sec. 8 the following words: "but no action of the representative Town Meeting shall be reversed unless at least 20% of all the registered voters shall vote for such reversal."

So voted.

Mr. Field further moved: That a committee of three (3) be appointed by the Moderator to petition the Legislature for the desired amendment to our Town Meeting act.

So voted.

ARTICLE 26, 27, 28, 29.

Selectman Callahan moved: That these articles be taken up together.

So voted.

Mr. Field, for the Appropriation Committee, moved: That no action be taken upon these articles.

Selectman Callahan moved the following: That a committee of five (5) be appointed by the Town Moderator consisting of the Chairman of the Selectmen, the Chairman of the Appropriation Committee, the Chairman of the Planning Board and two (2) to be appointed by the Moderator who shall hold no town position, to study the benefits of Articles 26-29 inclusive, said committee to report to the next Annual Town Meeting and to furnish a report for the Annual Town Report for 1941.

Selectman Callahan's motion was adopted.

ARTICLE 30. Mr. Field, for the Appropriation Committee, moved: That the Town take no action upon this article.

Selectman Callahan offered a substitute motion as follows: That town amend Article 10, Section 7, Item 3 of the By-Laws as printed in the Warrant.

Moderator declared the motion lost.

Selectman Callahan doubted the vote. Less than the required number having doubted the vote, the tabulation was not ordered.

Motion of the Appropriation Committee, as offered by Mr. Field, was adopted.

ARTICLE 31. Mr. Field, for the Appropriation Committee, moved: That the amendments to be offered by the Appropriation Committee under Article 31 (At request of Planning Board). To see what action the Town will take to amend, alter or revise the Building Laws, or take any other action in relation thereto be taken up separately.

So voted.

Selectman Callahan rose to a legal point of order stating the recommendations as read were not properly before the meeting and ask the legal opinion of the Town Counsel.

The opinion of the Town Counsel was that the amendments were not properly before the meeting.

Mr. Frank E. Loud moved: The subject matter of Article 31 be indefinitely postponed.

Motion adopted.

ARTICLE 32. Mr. Field, for the Appropriation Committee, moved (At the Request of Planning Board). To see if the Town will vote to amend, alter or revise Article X of the By-Laws—the Zoning Laws so called/or take any other action in relation thereto.

Mr. Charles Griffin asked for indefinite postponement of this article. Unanimously adopted.

ARTICLE 33. Mr. Field, for the Appropriation Committee, moved: That the Town accept the provisions of General Laws (Ter. Ed.) Chapter 41, Sections 81A to 81J inclusive, which is entitled "An Act Providing an Improved Method of Municipal Planning" and which re-establishes the Planning Board.

Selectman Callahan moved indefinite postponement of this article.

Motion lost.

Motion of the Appropriation Committee, as offered by Mr. Field, was adopted.

ARTICLE 34. Mr. Field, for the Appropriation Committee, moved: That the Board of Selectmen be authorized to purchase for school purposes for the Town two parcels of land to be under the supervision of the School Committee, one lying east of the High School containing about 13.3 acres and the other to the south of the High School containing about 3.8 acres and that the sum of \$7,500. is hereby raised and appropriated for this purpose provided this transaction meets with the approval of the School Committee.

Selectman Callahan moved to amend the recommendations of the Appropriation Committee as follows: To substitute the words "School Committee" for "Board of Selectmen" in line 1 and strike out the last line which reads "provided the transaction meets with the approval of the School Committee."

Motion of the Appropriation Committee, as offered by Mr. Field and thus amended, was unanimously adopted.

ARTICLE 35. Mr. Field, for the Appropriation Committee, moved: That the Moderator be instructed to appoint a committee of seven (7) three of whom shall be members of the School Committee and four other citizens to carry out the purposes of this article and said committee to file its report with the Board of Selectmen not later than December 15 of the current year. Mr. Field, for the Appropriation Committee, offered a substitute motion to Article 35: That a committee of seven be authorized, two of whom shall be members of the School Committee to be appointed by the School Committee, one shall be the Superintendent of Schools, and four other citizens who shall be appointed by the Moderator, and that such Committee shall carry out the purposes of this Article and shall file its report with the Board of Selectmen not later than December 15 of the current year. Any vacancies in such Committee which shall occur, by resignation or otherwise, shall be filled in the manner of the original appointments.

Substitute motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 36. Mr. Field, for the Appropriation Committee, moved: That the girls' athletic field and playground be named "Libby Athletic Field" in honor of both Annie J. and Dr. J. Herbert Libby.

Selectman Callahan raised the point of order that the recommendations of the Appropriation Committee are beyond the scope of the original petition.

Moderator ruled that the point of order was not well taken.

Selectman Callahan offered a substitute motion as follows: That the field be named "Annie J. Libby Girl's Athletic Field and Playground".

The Moderator declared the motion lost. Selectman Callahan doubted the vote.

More than a sufficient number stood in doubt and the tabulation was ordered by the tellers.

The tellers reported 36 voting in the affirmative and 58 in the negative. The motion was declared lost.

Mr. Prince Tirrell moved: That the word "Athletic" be deleted from the

recommendations of the Appropriation Committee.
So voted.

Motion of the Appropriation Committee, as offered by Mr. Field, and thus amended was adopted.

ARTICLE 37. Mr. Field, for the Appropriation Committee, moved: That the town take no action upon this article.

Mr. Sands verbally corrected the petitioners of this article stating that the original petition was filed by the Nash's Corner Citizen's Association Inc. and offered a substitute motion as follows:

The moderator shall appoint a committee of three to obtain an option on a parcel or parcels of land for a park and playground in the vicinity of Nash's Corner section of South Weymouth and, they shall have inserted in the warrant for the next Annual Town Meeting an article for the purchase of same. I further move that the sum of one dollar be appropriated for this purpose.

Motion lost.

Mr. Moran moved the previous question. The previous question was ordered.

Motion of the Appropriation Committee, as offered by Mr. Field, was adopted.

ARTICLE 38. Mr. Field, for the Appropriation Committee, moved: That the Town take no action upon this article.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 39. Mr. Field, for the Appropriation Committee, moved: That the Board of Selectmen are hereby authorized to purchase for the Town for Park purposes land abutting Bradford Hawes Park belonging to Mr. David Wescott containing about 77,800 square feet and for this purpose the sum of \$900. is hereby appropriated.

Mr. Corkum moved to amend by adding: "subject to any existing ways", then explaining that in his opinion a hazardous right of way existed.

The Appropriation Committee asked unanimous consent to withdraw their original recommendation and recommended: That no action be taken upon this article.

Motion of Appropriation Committee was adopted.

ARTICLE 40. Mr. Field, for the Appropriation Committee, moved: That the Town name "Overlook Park", so called, "G. A. R. Memorial Field".

Mr. Prince Tirrell moved a substitute motion: That that portion of the Bicknell School grounds which is enclosed and known as the baseball field be known as G. A. R. Memorial Field.

Mr. Sheehy moved to amend Mr. Tirrell's substitute motion: That the initials G. A. R. be deleted and the words "Grand Army of the Republic" Memorial Field be substituted in place thereof.

Motion as offered by Mr. Tirrell and thus amended was unanimously adopted.

ARTICLE 41. Mr. Field, for the Appropriation Committee, moved: That the Town take no action upon this article.

Selectman Callahan moved: That the sum of \$200. to be expended under the direction of the Park Commissioners in cooperation with the Lovell's Corner Men's Social Club for the celebration of the fourth of July at Bradford Hawes Park or take any other action in relation thereto.

Motion lost.

Motion of the Appropriation Committee, as offered by Mr. Field, was adopted.

ARTICLE 42. Mr. Field, for the Appropriation Committee, moved: That the Town take no action upon this article.

Selectman Callahan offered a substitute motion as follows: To see if the town will vote to instruct the Board of Water Commissioners to grant permits for boating and fishing on Weymouth Great Pond to citizens of Weymouth whenever the action taken by the State Department of Public Health, December 10, 1940, because of the present National Emergency shall be rescinded.

Motion as offered by Selectman Callahan was adopted.

ARTICLE 43. Mr. Field, for the Appropriation Committee, moved: That the subject matter of this article be referred back to the Planning Board for further study.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 44. Mr. Field, for the Appropriation Committee, moved: That the subject matter of this article be referred back to the Planning Board for further study.

Motion of the Appropriation Committee, as offered by Mr. Field, was adopted.

ARTICLE 45. Mr. Field, for the Appropriation Committee, moved: That the town take no action upon this article.

Mr. Field stated that previous action of this article had been duly authorized under Item 14 of Article 1 and moved that Article 45 be dispensed with.

Unanimously adopted.

ARTICLE 46. Mr. Field, for the Appropriation Committee, moved: That the subject matter of this article be referred to the agency set up under Article 2 of this Warrant.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 47. Mr. Field, for the Appropriation Committee, moved: That the Town raise and appropriate the sum of \$200. for the observance of Armistice Day to be expended under the direction of a committee of three (3) to be appointed by the Moderator chosen from the several veteran and hereditary organizations in accordance with the provisions of General Laws (Ter. Ed.) Chapter 40, Section 5, Clause 12 as amended.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

Mr. Field asked unanimous consent to consider Article 60 at this time. So voted.

Article 60. That the Town raise and appropriate and pay into the State Treasury the sum of \$10,000. as a contribution towards the improvement of the Weymouth Back River in accordance with a project of the federal government and authorize its Board of Selectmen to execute and deliver a bond of indemnity in accordance with General Laws, Chapter 91, Section 29, provided that no part of said amount shall be expended until the Congress of the United States shall have appropriated the sum of \$40,000. and the Commonwealth has made available the sum of \$10,000. for the improvement aforesaid and providing further that the Board of Selectmen are authorized to provide free of cost suitable areas for the disposal of the dredged material.

Mr. Veader moved to amend the recommendation of the Appropriation Committee as follows: That the Town accept the offer of the American Agricultural Chemical Company with regards to fill on their property. So voted.

Motion of the appropriation Committee, as offered by Mr. Field, and thus amended was adopted.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 54. Mr. Field, for the Appropriation Committee, moved: That the Town take no action upon this article.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 56. Mr. Field, for the Appropriation Committee, moved: That the Town take no action with regard to the Laban Pratt Hospital until the favorable final determination of the issues in litigation.

Mr. Russell Stiles, Secretary of the committee appointed by the Moderator under Article 28 of the Annual Town Meeting of 1940, made the following report.

REPORT OF THE COMMITTEE FOR THE LABAN PRATT HOSPITAL

TO THE ANNUAL TOWN MEETING—WEYMOUTH—MARCH, 1941.

In the first place, your Committee would like to pay its tribute to the late Danial P. Cummings, who was appointed a member of this Committee but unfortunately died before the Committee met to organize. We were sorry not to have the benefit of his counsel and his cooperation. His place on the Committee has been filled by Mr. John L. Gallant of 78 Putnam Street, East Weymouth.

In order to carry out our instructions that a study be made of the need for further hospitalization in the Town of Weymouth and the requirements of a hospital not to exceed a fifty-bed capacity, your Committee has had several meetings and has given this matter considerable thought and attention.

In this connection, you authorize us to engage the services of an expert, which we have done. We had brought to our attention the name of Dr. Joseph B. Howland who for many years was Superintendent of the Peter Bent Brigham Hospital in Boston. Since his retirement from that office, he has served as temporary Superintendent of the Huntington Hospital in Boston. He has also been spending considerable time in making surveys regarding hospitalization needs throughout New England.

He has been highly recommended to us as an expert in hospitalization needs and surveys.

After considering others in similar fields, your Committee decided to engage Dr. Howland and we submit herewith his report dated June 29, 1940. Your Committee considers this report an excellent one and endorsed it unanimously.

Dr. Howland's Report.

Hingham, Mass.,

June 29, 1940.

Allan C. Emery, Chairman:

On May 21st, 1940, I received a letter from the Clerk of your Committee stating that by a vote taken at the Town Meeting of March, 1940, it was ordered that a study be made "concerning the need of further hospitalization

in the Town and the requirements of a hospital not to exceed a fifty bed capacity”.

In a letter dated May 31st, 1940, from the same source, he quoted from the will of the late Laban Pratt the terms of a bequest. From the extract of the will as given me, I note:

1. The sum is \$300,000.00
2. It is given to the Town of Weymouth
3. To establish and maintain a hospital at Weymouth Heights and in the neighborhood of the Old North Church.
4. The fund to be managed and controlled by said town as it may deem wise and expedient.

From the instructions received, I understand that this report is limited to an opinion as to what hospital needs remain unsupplied in Weymouth and an opinion as to the cost of building and equipping a fifty bed hospital.

My first effort has been to study the present hospital to form an opinion as to its efficiency and to what extent it is caring for the hospital needs of Weymouth.

From the “Prospectus of the Weymouth Hospital”, I find that in 1922 it was incorporated as a hospital for the purpose of “treating medical, surgical and obstetrical cases”. The same prospectus states that “The new Weymouth Hospital has been organized by Weymouth people for Weymouth needs”.

It is apparent that the hospital soon after its founding became a community hospital instead of a purely Weymouth institution. Its 1938 annual report shows that patients were admitted from more than twenty towns. Most of the admissions however, are from Weymouth, Braintree, Rockland, and Hingham in the order named.

I went to the hospital twice and visited practically all departments noting facilities and equipment. I came to the conclusion that it was well equipped to furnish the most essential requirements for the proper diagnosis and treatment of patients judged by the standards of many community hospitals with which I am familiar.

Present Unsupplied Needs of Weymouth for Hospitalization of Its Sick

Using accepted indices, I find there is a very considerable lack of beds for acute cases in Weymouth. A single standard cannot be used in all parts of the United States nor in all parts of any section of the country. The problem in a town situated as is Weymouth is modified by its proximity to Boston, one of the Country’s largest medical centers. To a somewhat less extent, it is influenced by the proximity of the Quincy Hospital, but very little by the Brockton Hospital. We have to note, too, the extent of the industrial hazard, which for Weymouth I consider small.

The Community Federation reports that from five sample census takings, the Boston Hospitals are estimated to have given 2460 days of *ward* care for Weymouth patients in 1939. It should be noted that they have no record of patients occupying private or semi-private rooms. The Quincy Hospital reports that it cared for 200 Weymouth patients in 1939. The Brockton Hospital reports that it had very few Weymouth patients in that year and these few mostly automobile or industrial accident cases.

There seems to be no other hospital in this vicinity of sufficient size or importance to be taken into account.

Considering the above facts, it is my opinion that Weymouth requires for its residents a total of not less than 75 to 80 hospital beds. My estimate includes beds for obstetrical, general medical and surgical cases, including children, but does not include beds for communicable diseases, mental patients of a permanent institutional type, nor for the continued care of tuberculosis.

The Weymouth Hospital has 70 beds for adults and children. (It is not usual, in estimating the capacity of a hospital, to include the bassinets for the new-born, of which the hospital has 24).

Weymouth Patients during the past five years have used an average of 45% of the hospital beds, and this means that they occupied on the average 32 of the 70 beds.

For obtaining the latest available census figures of Weymouth, I used the findings of Massachusetts Public Document No. 15 published in 1935 in which the population of Weymouth is given as 21,587. From the above figures, I consider that approximately 43 more beds are needed to properly fulfill the hospitalization needs. Unofficially I am informed that the present population of Weymouth is about 23,000. If this figure is correct, the present unsupplied need of hospital beds would be 48.

If and when a new hospital is built, the latest available census should be consulted and, in my opinion, the number of beds required would be 3½ for every one thousand residents.

I am further requested by your Committee to give "the requirements of a fifty bed hospital".

An average estimate of the number of cubic feet needed per bed in a fifty bed hospital is 6500 and I believe at this time and in this vicinity it would probably cost about 65c a cubic foot to build a hospital in a suitable manner of fire-resistant materials.

Cost of building fifty bed hospital	\$211,250.00
Architects and engineers' fees	12,675.00
Equipment and furnishings	40,000.00
	\$263,925.00

No estimate has been made of the cost of a site on the assumption that Town land near the Infirmary would be used. I have visited this property and I feel sure that it offers a suitable site. There would, of course, be some further expense in building roads, walks, and for landscaping.

Also no estimate has been made of the cost of making changes in the present Infirmary buildings to house nurses and other employees. From the outside, it would seem to lend itself very well for this purpose.

As to the cost of operating a fifty bed hospital, assuming an average of 40 patients and using the 1939 daily per capita cost of \$5.88 of the Weymouth Hospital, the annual operating expense would be \$85,848.00.

What operating receipts might be expended to offset the estimated annual operating expense of \$85,848.00? I believe this will be very hard to predict. I am of the opinion that they would be small because of the probability of many patients able to pay their own way choosing to go to the present hospital because of its established reputation. My feeling is that that new hospital would do well to collect annual revenue of about two-thirds of its operating expense or \$56,000.00

I close this report by re-stating that I believe there exists at present a very definite lack of hospital facilities amounting to from forty-three to forty-eight beds.

Respectfully submitted,

Joseph B. Howland, M. D.

We recommend that in order to insure the economical and efficient operation of the hospital and to remove it from political interference that a group of citizens be selected as incorporators of a hospital to be known as the Laban Pratt Hospital and said corporators shall constitute the Board of Trustees with powers to appoint its successors and operate the hospital as the agents of the Town; and in order to effectuate this purpose, it is recommended that the Moderator appoint a board of fifteen citizens to act as

such incorporators, and that a petition and act be prepared for introduction into the Legislature as soon as the determination of all pending litigation may be consummated.

We do not consider it necessary to arbitrarily have the number fifteen, but it is our opinion that this would be about the right number of citizens. Granting that fifteen would be the number acceptable, we would recommend that five be elected for one year; five for two years; and five for three years, and so on. It might be well to have the number established divisible by three so that you would not have more than a one-third turn-over of the Trustees in any one year.

We further recommend that the Town vote to instruct the Town Counsel to seek from the Probate Court an interpretation of that clause of the will of the late Laban Pratt having to do with the location of the hospital in Weymouth Heights, in the neighborhood of the Old North Church," with a view to determine whether the site of the Town Infirmary would lie within the area described by those words.

Respectfully submitted,

ALLAN C. EMERY, Chairman
RUSSELL A. STILES, Secretary
HARRIS E. BOWMAR, M.D.
JOHN L. GALLANT
KENNETH L. NASH (Judge)
DR. ROBERT R. RYAN
C. PARKER WHITTLE, JR.

Selectman Callahan moved: That all committees heretofore appointed be hereby dissolved with thanks and that all monies heretofore appropriated be transferred to the general fund and any outstanding bills be paid from the reserve amount and further that the Board of Selectmen are hereby instructed to take all necessary steps preliminary to starting construction of the Laban Pratt Memorial Hospital including the procuring of plans for a 50 bed hospital provided however, that actual construction shall not be started until all preliminary plans are presented to a special town meeting called for that purpose which meeting shall further instruct the Board of Selectmen as to further action.

Motion lost.

Mr. Field moved to amend the recommendation of the Appropriation Committee as follows: That the report of the Committee as read be accepted with thanks, and that the committee be authorized to continue their functions.

Motion of the Appropriation Committee, as offered by Mr. Field and thus amended, was unanimously adopted.

ARTICLE 58. Mr. Field, for the Appropriation Committee, moved: That the Town instruct its Board of Selectmen to accept as a gift from Mary Fifield King various pieces of furniture and household furnishings and express the gratitude of the Town to the donor.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 59. Mr. Field, for the Appropriation Committee, moved: That the Town instruct its Board of Selectmen to release lots 263-280 incorporated and 210-218 incorporated off Phillips Street, now Prescott Street, South Weymouth, to Cleveland and Mattie Jewell.

Motion of the Appropriation Committee, as offered by Mr. Field, was unanimously adopted.

ARTICLE 61. Mr. Field, for the Appropriation Committee, moved: That the subject matter of this article has been provided for under Article 1, Item 44.

Motion of the Appropriation Committee as offered by Mr. Field, was unanimously adopted.

Mr. Hughes moved: To adjourn.

The meeting was declared adjourned without date at 11:17 p.m.

THE COMMONWEALTH OF MASSACHUSETTS

Department of Corporations and Taxation
Division of Accounts

Henry F. Long, Commissioner

Theodore N. Waddell, Director of Accounts

State House, Boston

July 28, 1941

To the Board of Selectmen

Mr. Sandy Roulston, Chairman
Weymouth, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Weymouth for the period from May 1, 1938, to May 8, 1941, made in accordance with the provision of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,

Director of Accounts

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston
Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Weymouth for the period from May 1, 1938, the date of the previous audit, to May 8, 1941, the following report being submitted thereon:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or committing bills for collection, were examined, checked, and verified by comparison with the records in the office of the town accountant and the treasurer.

The books and accounts in the town accountant's office were examined and checked, the recorded receipts being compared with the treasurer's books and with the records in the several departments collecting money for the town.

The general and appropriation accounts were examined, the appropriations and loan orders being checked with the amounts voted by the town as shown by the records of the town clerk and the transfers from the reserve fund being compared with the records of the appropriation committee. A trial balance was taken off, and a balance sheet was prepared showing the financial condition of the town as of May 8, 1941.

An examination of the balance sheet shows that the financial condition of the town is very good.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were analyzed and checked with the town accountant's books and with the records in the various departments collecting money for the town, as well as with the other sources from which money was paid into the town treasury, while the payments were compared with the approved warrants. The cash balance on May 8, 1941, was proved by verification of the cash in the office, by reconciliation of the bank balances with statements furnished by the banks in which town funds are deposited, and by examination of the savings bank deposits.

The reported payments on account of debt and interest were compared with the amounts falling due and with the cancelled securities on file. The unpaid interest was listed and reconciled with statements furnished by the banks of deposit.

The savings bank books and securities representing the investments of the trust and retirement funds in the custody of the town treasurer were examined and listed. The transfers to the town were verified, the income was proved, and the other reported transactions were found to be correct.

The records of tax titles held by the town were examined and checked. The amounts added to the tax title account were reconciled with the collector's records, the tax titles redeemed were checked with the receipts as recorded on the treasurer's cash book, the foreclosures and disclaimers were verified, and the tax titles on hand were listed and compared with the records at the Registry of Deeds.

The books and accounts of the tax collector were examined and checked. The poll, personal property, real estate, and motor vehicle excise taxes, and special assessments outstanding according to the previous examination were audited, and all subsequent commitments were checked to the warrants for their collection. The payments to the treasurer were checked to the treasurer's cash book, the recorded abatements were compared with the assessors' record of abatements granted, and the outstanding accounts were listed and reconciled with the respective controlling accounts kept by the town accountant.

The commitments of departmental accounts receivable by the various departments were proved, the recorded receipts were checked with the treasurer's cash book, the abatements were compared with the records in the departments authorized to grant them, and the outstanding accounts were listed and reconciled with the controlling account kept by the town accountant.

The books and accounts of the water department were examined and checked. The commitments were proved, the recorded collections were compared with the payments to the treasurer, the abatements were checked, and the outstanding accounts were listed and reconciled with controlling accounts kept by the town accountant.

The records of deposits for the installation of water services were examined, the amounts applied to cover the cost of labor and material, as well as the refunds, were checked, and the cash in the treasury was compared with the lists of deposits on hand.

Verification of the correctness of the outstanding tax, assessment, departmental, and water accounts was made by sending notices to a number of persons whose names appeared on the books and records as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The records of licenses and permits issued by the town clerk, the selectmen, the building and plumbing inspectors, and the board of health were examined and checked, and the payments to the State and to the town treasurer were verified.

The surety bonds furnished by the financial officials of the town for the faithful performance of their duties were examined and found to be in proper form.

In addition to the departments and accounts mentioned, the records of all other departments receiving money for the town or committing bills for collection were examined. The recorded collections of these departments were verified by checking the records showing the source of receipts, and the payments to the treasurer were compared with the records of the treasurer and the town accountant.

The efficient manner in which the work in the several town departments has been performed is worthy of commendation.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the several cash accounts, summaries of the tax, assessment, tax title, departmental and water accounts, together with tables showing the condition and transactions of the trust and retirement funds.

During the progress of the audit, co-operation was received from the town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

Assistant Director of Accounts

REPORT OF SHELLFISH CONSTABLE

December 31, 1941

Honorable Board of Selectmen,

Gentlemen:

I herewith submit my fourth Annual Report as Shell Fish Constable of the year 1941.

As of last year our citizens have taken advantage of the Provisions of Chapter 130, Mass., but complain of no clams now in our open area due to the fact that seed clams were destroyed in the past years. Therefore, I am recommending that your board place a closed season on what remains of our clam producing areas, so the seed will grow to the edible size or legal length of two inches.

Respectfully submitted,

A. S. VEADER,

Shell Fish Constable.

REPORT OF HARBORMASTER

December 31, 1941

Honorable Board of Selectmen

Gentlemen:

I herewith submit my annual report for the year 1941 of the Harbormaster, Town of Weymouth.

Boats reported lost	28
Boats recovered	19
Boats assisted	18
Persons rescued	10
Oil pollution complaints investigated	4
Ship launchings policed	15
Mooring permits granted	46
Children taken from unsafe boats	36

The U. S. Coast Guard and the Weymouth Police have cooperated with me to the utmost for which I wish to thank them.

Notes: In consequence of the war, it is necessary for me to operate my department 365 days in the years. Therefore, it will be necessary for an increased appropriation for my department for the year 1942.

Respectfully submitted,

A. S. VEADER,

Harbormaster,

Inspector of Buildings.

REPORT OF THE COMMITTEE FOR THE OBSERVANCE OF MEMORIAL DAY

To the citizens of the Town of Weymouth:

At the Annual Town Meeting held in March 1941, it was voted under Article I, Item 34, that a committee of seven (7) be appointed by the Moderator from the various Veterans and Heredity organizations, in accordance with the provisions of General Laws (Tercentenary Edition) Chapter 40, Section 5. Clause 12, as amended.

The following committee was appointed:

Henry B. Vogel, Commander, Post 58, Grand Army of the Republic (Honorary Chairman)

George C. Smith, Commander, Post 79, American Legion (Chairman)

Charles P. Shepherd, S. V. Commander, Post 79, American Legion

Fred Webb, J. V. Commander, Post 79, American Legion

Herbert Leslie, Commander, Post 1399, Veterans of Foreign Wars

Irving Packard, Quartermaster, Post No. 1399, Veterans of Foreign Wars

Mrs. Hazel A. Theriault, President, Tent No. 32, Daughters of Union Veterans

Robert W. Pratt, Commander, Camp No. 36, Sons of Union Veterans

Six meetings were held by your committee between April 14th, and May 27th, at which latter date all arrangements for transportation, decorations and parade detail, etc., had been successfully completed.

Memorial Day exercises in the schools, through the courtesy of Charles R. Thibadeau, Superintendent, and pastors of parochial schools, was carried out on Thursday, —May 29, 1941. Veterans visiting as many of their Exercises as time would allow. The graves of Veterans of all wars were decorated with potted plants. Flags were placed on each grave the week before Memorial Day. Public Squares, Monuments and Memorials were decorated with wreaths and flags.

On Memorial Day, the Veterans, Heredity Organizations, and invited guests, assembled at Hurley Square, North Weymouth, Commander Herbert Leslie, V.F.W., Chief Marshal, with his appointed staff, formed the parade. The American Legion Band, the American Legion Drum Corps, the Sacred Heart School Band, and the Boy Scouts of America Drum Corps, furnished the music. All cemeteries were visited and appropriate services held as usual. The parade paused to properly salute and be reviewed by Commander Henry

B. Vogel, Post 58, G.A.R., from his residence on Cedar St., East Weymouth. The parade then proceeded to the Central Fire Station where it disbanded.

It is well for us, because of events occurring since we last honored our loyal dead, to constantly let our memory return to that beautiful Memorial Day of 1941. And in so doing, gain that spiritual strength in our hearts, that we might again resolve, with renewed faith and purpose,—“that these dead shall not have died in vain”.

To all who helped in making this Memorial Observance a lasting success, your committee wishes to extend their sincere thanks.

Respectfully submitted,

ROBERT W. PRATT,

Secretary of the Memorial Day Committee.

REPORT OF THE MOTH SUPERINTENDENT

To the Honorable Board of Selectmen:

East Weymouth, Mass.

Gentlemen:

January 5, 1942

Please accept the report of the Moth Department for 1941.

This year brought to the minds of the townspeople the fact that the Gypsy Moth is a serious menace to our shade trees and woodlands. Due to additional funds which the Appropriation board so thoughtfully allotted the Department we were able to creosote throughout the fall. The schedule planned for 1942 will control this pest to a great extent.

The Elm leaf beetle although still a serious pest, was fairly well brought under control. However, it must remain checked by continued spraying in 1942.

The unsightly nests of the Fall Web Worms were cut off and burned.

The Tent Caterpillars seem to have increased the past year, although we cut and burned many wild cherries, as it is mostly on these where the moth lays her eggs, there are thousands of egg masses remaining. I recommend a campaign sponsored by the Moth Department and carried out by the school children, 4-H Club members and boy and girl scouts with prizes offered for the largest number of egg masses collected. A campaign of this nature would save the town thousands of dollars.

Respectfully submitted,

Gentlemen:

WILLIAM E. MacQUINN,

Moth Superintendent.

[illegible]

REPORT OF SUPERINTENDENT OF FIRE ALARMS

January 5, 1942

Chief Timothy G. McCarthy

Weymouth Fire Department

Dear Sir:

I respectfully submit my report for the Fire Alarm System for the year ending December 31, 1941.

Alarms for fires	206
Out of town calls	8
Chief's call (3 blows)	4
False alarms	22
B.y Scout Call (1234)	2

The outside wire is in good condition, a part of which is being replaced each year.

One new location has been added for a fire alarm box.

A new whistle has been installed in the North Weymouth Station to replace the church bell which was being used for Fire Alarm. We hope to replace the bell in Weymouth Landing with a whistle next year.

As reported last year I believe that more of the old boxes should be replaced each year, and in these times it seems more necessary than ever before.

In concluding I wish to extend my sincere thanks to all for their services and cooperation rendered at all times.

Respectfully submitted,

EDRIC J. SALISBURY,

Supt. of Fire Alarm.

Respectfully submitted,

Thomas P. Delahunt, Agent

Board of Public Welfare

REPORT OF THE BUREAU OF OLD AGE ASSISTANCE

January 12, 1942

To the Honorable Board of Selectmen:

The Supervisor of the Bureau of Old Age Assistance respectfully submits the following report for the year ending December 31, 1941:

Total applications received	160
Applications approved and assistance granted	117
Applications refused	43
Total number of Old Age Assistance cases on December 31, 1941	586
Total expenditures on Old Age Assistance	\$222,613.68

Reimbursement from other cities and towns, approximately	3,000.00
	<hr/>

Approximate cost to town \$49,000.00

This year, 1942, due to the change in laws of Old Age Assistance, we anticipate an increase in the amount expended, therefore, it is necessary to ask for a decided increase in town expenditures.

Respectfully submitted,

THOMAS P. DELAHUNT, Supervisor

Bureau of Old Age Assistance

REPORT OF THE BOARD OF PUBLIC WELFARE

January 12, 1942

To the Honorable Board of Selectmen:

Gentlemen:

It is a pleasure to report to your honorable Board that General Relief

shows a substantial reduction in the amount of aid granted this year over previous years.

Expenditures for year, 1941, as compared with 1940, will be approximately \$30,000.00 less. This year we are asking for about the same amount as was expended in 1941. This is due to the increase in the cost of the necessities of life, hospitalization, etc. It is very difficult to figure the budget with any greater degree of accuracy.

May I again thank your Board and my fellow workers for the continued whole-hearted support and cooperation in carrying on the work.

Respectfully submitted,

THOMAS P. DELAHUNT, Agent

Board of Public Welfare

REPORT OF THE POLICE DEPARTMENT

Respectfully submitted,

EDWARD F. BUTLER,

Chief of Police.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

December 31, 1941

To the Honorable Board of Selectmen.

Gentlemen:

I herewith submit my annual report for the year 1941. The sealing fees amounting to \$349.49.

There were three convictions made during the year: one for giving insufficient measure, case placed on file; one for using a condemned meter, case discharged; and one for delivering oil without a certificate, found guilty and paid a fine.

My general work for the year is as follows:

Tested and sealed 1,728 weighing and measuring devices.

Not sealed, 74 weighing and measuring devices.

Condemned, 18 weighing and measuring devices.

Trial weighings and measurements of commodities sold or put up for sale and summary of inspections after sealing, 1,105 articles and devices.

Respectfully submitted,

CHARLES W. BURGESS,

Sealer of Weights and Measures.

REPORT OF TUFTS LECTURE FUND COMMITTEE

Weymouth, January 7, 1942.

To the Honorable Board of Selectmen:—

As has been customary for the past few years, Children's Story Telling at the Library has been provided for from the Tufts Lecture Fund.

The reserve in this fund being much lower than for several years, and therefore, the annual income less, no other lectures have been arranged for during the year.

Respectfully submitted,

FLORINE E. DUCKER, Chairman

CHARLES R. THIBADEAU, Secretary
CLARENCE P. WHITTLE

REPORT OF SUPERINTENDENT OF ALEWIVE FISHERIES

To the Honorable Board of Selectmen,

Town of Weymouth

Gentlemen:

I hereby submit my annual report as Superintendent of Alewife Fisheries for the year ending December 31, 1941.

Approximately seventy-five (75,000) thousand alewives were deposited in Whitman's Pond for spawning. The first catch was made on April 15th

and the last on May 13th.

The Welfare Department received two thousand (2000) as your board so voted.

In closing my report, I wish to thank the members of your Board, the Weymouth Light and Power Co., the Weymouth Wool Scouring Co., Mr. Kelley, Superintendent of Streets, and the boys who worked with me for the help and cooperation which was so willingly given at all times.

Respectfully submitted,

THOMAS M. O'TOOLE,

Supt. of Alewife Fisheries.

REPORT OF CUSTODIAN OF VETERAN'S GRAVES

January 6, 1942

The Honorable Board of Selectmen

Town of Weymouth

Gentlemen:—

Graves and markers were checked and cared for, and money spent in about the same way as in the past. New markers were placed where necessary.

I wish to take this opportunity to thank all cemetery officials who were very kind and helpful, and also anyone else who assisted me in any way.

Respectfully yours,

HENRY T. BURKE,

Custodian of Veterans' Graves.

REPORT OF BURIAL AGENT

January 6, 1942

The Honorable Board of Selectmen

Town of Weymouth

Gentlemen:

There were no burials in 1941 under statute providing for burial of indigent soldiers and sailors

Respectfully yours,

HENRY T. BURKE,

Burial Agent

REPORT OF THE INSPECTOR OF ANIMALS

East Weymouth, Mass.

January 1, 1942

To The Honorable Board of Selectmen:

Gentlemen:

Following is the report of the Inspector of Animals for the year ending December 31, 1941.

Owing to the delay in issuing the books for making the annual inspection by the Division of Live Stock Disease Control I am unable to report on number of cattle in town.

Number of dogs quarantined	82
Number of dog bites investigated	3
Number of dogs quarantined	82

Inspector of Animals.

REPORT OF THE DENTAL CLINIC

January 1, 1941 December 23, 1941

From January 1, 1941 to December 23, 1941 there have been 96 clinics with a total of 269 hours.

Number of Patients	273
Number of Visits	559
Number of Fillings	664
Temporary teeth	123
Permanent teeth	541
Number of Extractions	224
Temporary teeth	183
Permanent teeth	41
Number of Cleanings	225

In looking back over the records there is a definite trend toward more filling and less extraction. In 1933, the first full year that the clinic was operating there were 222 permanent teeth extracted, this year there were 41. In 1933 there were 77 permanent teeth filled, this year we have a record of 541. All this shows that we are progressing toward our goal—which is *saving the permanent teeth*.

Last year a program of monthly visits by the dental hygienist to the classrooms of the first and second grades was tried. The children made notebooks to illustrate what they had learned about teeth. Both the children and the teachers seemed quite enthusiastic about this program which was started with the idea of showing the children just why teeth must be filled and why teeth must be brushed every day, in other words to make them "Tooth Concious". If we can encourage these youngsters to form the habit of taking care of their teeth at home and making regular visits to the dentists we will be helping to build stronger men and women.

I sincerely wish to thank all members of the School Department with whom I have been in contact, Mr. Thibadeau, principals, teachers, and janitors. They have all been most courteous and cooperative always, and especially about transporting children to and from the clinic.

Respectfully submitted,

VIRGINIA L. SOULE,

Dental Hygienist.

REPORT OF THE SUPERINTENDENT OF STREETS

January 9, 1942

To the Honorable Board of Selectmen

Gentlemen:

It is obvious that progress to correct deficiencies in highway surfaces and sub-grades throughout the town proceeds at not too rapid a pace.

Access roads to Federal owned property are sure to be partially inadequate for defense needs and attention must be given them in 1942.

Drainage, the most important phase of highway stability, is of deep concern. Adoption of a long range system, costly in its entirety, but essential economically, should be given immediate attention.

With increasing land development and housing facilities it becomes increasingly apparent that failure to systematically progress with this expansion will necessitate an expenditure transcending effective and efficient planning .

Prospect Hill Drive

Chapter 90 maintenance funds were used on Broad Street between Lincoln and Central Squares where bituminous concrete was applied over the existing road surface.

Chapter 90 construction funds were used on North, Norton and East Streets where traffic separations were effected.

Resurfacing of portions of Union Street, Pleasant Street, Columbian Street and King Oak Hill, was part of maintenance during the year.

Nearly all sidewalk construction was under the direction of W. P. A.

After long and faithful service, Benjamin F. Veno and Edward F. McIntosh were retired during the year.

The cooperation and assistance given by the Police, Fire and Water Departments, were greatly appreciated.

Respectfully submitted,

INFORMATION

Hours: Main Library 9 A.M. to 9 P.M. daily. Children's Room 2:30 to 6 P.M. daily; Saturday 9 A.M. to 6 P.M.

Summer hours: July and August 9 A.M. to 6 P.M. Saturday 9 A.M. to 9 P.M.

Branches: East Weymouth—2 to 8 P.M. daily except Wednesday.
North Weymouth — 2 to 6 and 7 to 8 P.M. daily except Wednesday.

Weymouth Heights Station: 2:30 to 6 and 7 to 8 P.M. Monday and Thursday.

Lovell's Corner Station: 2:30 to 6 and 7 P.M. Tuesday.

Nash's Corner Station: 2:30 to 6 and 7 to 8 P.M. Tuesday.

Pond Plain Station: 2:30 to 6 and 7 to 8 P.M. Friday.

The Library and the Branches are not open Sundays, legal holidays, nor the 17th of June.

The Library is for the use of all residents of Weymouth. Temporary residents are entitled to the same privileges as permanent residents.

Each card issued to an adult entitles the holder to one book of recent fiction (a book published within the last year), one current periodical, and any reasonable number of other books.

Children under Senior High School age are entitled to a card if the application is signed by a parent or guardian. Cards issued to children entitle the holders to two books, only one of which may be fiction.

All books from the circulating department, except the new fiction, may be kept for 14 days. At the request of the borrower any book not in demand will be charged for one month, subject to recall after two weeks if requested by other borrowers. Fiction published within the last calendar year, and recent numbers of magazines are limited to seven days with no renewal privilege.

The vacation privilege allows a borrower to take books which are not recent publications for an extended time.

A book cannot be transferred from one card to another, but any 14-day book may be renewed at the library, by mail or by telephone (*), unless another borrower has asked to have the book reserved. The date due, the author and title of the book, and the borrower's number should be stated when the request for renewal is made.

Any book will be reserved at the request of a borrower, who will be notified as soon as the book is available. A charge of one cent is made for this service.

A fine of two cents a day will be incurred for each day's detention of a book after it is due. When a book is sent for by the librarian, it will be at the expense of the borrower.

For the convenience of residents living in different parts of the town, books are exchanged through the stations as follows:

Lovell's Corner, Pratt School	Tuesday
South Weymouth, Fogg Memorial Library	Tuesday
Nash's Corner, 3 West Street	Tuesday
Pond Plain, 189 Pond Street	Tuesday
East Weymouth, East Weymouth Branch	Thursday
North Weymouth, North Weymouth Branch	Thursday
Weymouth Heights, Adams School	Thursday

*Telephone: Main Library, Weymouth 1402.

North Weymouth Branch, Weymouth 2916-W.

SIXTY-THIRD ANNUAL REPORT OF THE TUFTS LIBRARY

Nineteen hundred and forty one, the sixty-third year of library service in the Town of Weymouth, was a year increasingly geared to the needs of national defense. The demand for books fell into three classes: informational books on such subjects as welding, pattern making, airplane construction or flying; background books on the world situation; and escape literature: novels that afforded relaxation from strain and escape from the horrors of war. Technical books are expensive but the library purchased them generously, for they are tools of national defense. Reference work has been continuous with a larger percentage of adults seeking information from books than in previous years, although the bulk of the reference work of the library continues to be with the student group.

NEIGHBORHOOD BRANCHES.

There has been a growth of library service through the outlying sections of the town. The station at Nash's Corner has increased its service by 30% over last year, and the new station at Pond Plain is circulating more than one hundred books each day that it is open to the public. Altogether the book circulation through the various outlying sections has increased 12%, a significant indication of the need of this service, for the times are far from normal and the majority of people have less leisure for reading today. Therefore, wherever we do find an increase in reading, it is due to the fact that the library has reached out to fill a felt need in the community.

There is a small gain of 5% in the circulation at the North Weymouth Branch, a gain that we feel may increase as our coastal defense brings new families into the area.

The influx of new families is beginning to show in the registration figures. There are 179 more active borrowers of library books than there were one year ago. Approximately half of these are children. As new families become settled residents of the town, more of them will turn to the library and we extend them a cordial welcome.

All the figures pertaining to the activities of the library will be found in the statistical tables at the close of this report.

On May second the station at 189 Pond Street, South Weymouth, was opened to the public. Books were chosen from our main collection and some new books were purchased. The shelving was set up by Boy Scouts from the South Weymouth Troop. With the interest and cooperation of Mrs. Lena Pratt, who is in charge of the station, a most attractive room was opened to the public as a neighborhood library.

STAFF NEWS

There have been several changes in personnel during the year:

On March 26th Mrs. Mary M. Dingwall, the librarian of the North Weymouth Branch since its establishment in 1922, retired. Her long years of faithful service deserve our grateful recognition and we wish her many years of health to enjoy a well earned leisure.

On April 1st Miss Marion Meurch left to take a position in the Thayer Library in Braintree, and in September Miss Ruth Cormack and Miss Marjorie Fulton both left to be married. Our good wishes go with them all.

Miss Dorothy Trussell of South Weymouth and Miss Muriel Courtney of East Weymouth have been added to the staff. Miss Catherine C. Condric, formerly assistant at the East Weymouth Branch, has been appointed librarian at the North Weymouth Branch, and Miss Ruth H. Kai has been promoted from assistant at the North Weymouth Branch to one of the vacancies at the Main Library. Mrs. Florence G. Truax was appointed Extension Librarian in charge of the stations at Weymouth Heights, Lovell's Corner, Nash's

Corner and Pond Plain. She is assisted in the two last mentioned by Mrs. Gertrude C. Andrews and Mrs. Lena Pratt.

On November 12th news reached us of the death of Mr. Thomas E. Shea. Mr. Shea was our janitor for thirteen years, until his illness two years ago. He was a faithful worker and a true friend to the library and with sincere sorrow we lowered the library flag to half mast.

As in previous years, the library has served as a practice field for students. Two weeks in April a senior from Simmons College Library School worked with us, and for a week in May a Weymouth High School senior came to us for experience in typing and filing.

INSIDE FOUR WALLS

A service for the young people of High School age has been started with the opening of an alcove of books especially selected to meet their needs. This alcove, located in the main reading room of the library, holds books needed for school reports, but also many others of definite appeal to young adults, and to older adults, who still find zest in high adventure. The music collection, formerly shelved in this alcove, now has shelves of its own around the curving walls of the tower alcove.

A new flooring of cork carpet, covering the front half of the main floor of the library, has solved a difficult maintenance problem and adds to the attractiveness of the library. It is desirable to extend this to cover the remainder of the floor as soon as funds are available.

A little additional shelving and a new section for the card catalog case has been added at the East Weymouth Branch.

GIFTS AND EXHIBITS

To all those who have brought to the library gifts of books, or of flowers from their gardens, or have loaned their treasures for exhibit, the trustees take this opportunity to make grateful acknowledgement. They would make special mention of the practical and helpful gifts of posters made especially for the library by Mr. Robert Blattner and Miss Shirley Holbrook. The book donations during 1941 are listed in the appendix to this report. They are welcome gifts and are greatly appreciated.

Again this year the library has been recipient of a grant from the Tufts Lecture Fund, which has enabled us to bring Mr. and Mrs. John Cronan and Mrs. Margaret Powers to tell stories from fine books to the boys and girls of Weymouth. This is a gift of far reaching results, for the inspiration of these stories goes into every school in Weymouth.

The following exhibits have been loaned to the library during 1941 and the trustees herewith make grateful acknowledgement.

Community Fund Exhibit on Home Nursing

Model sailing vessels.

“Sea-witch”, a clipper ship.

“Alice Mandel”, a whaling ship.

Loaned by Mr. Clarence H. Hewitt.

Log of the Bark “Action”, a whaler bound to the Pacific Ocean in 1856.

Its Captain, William Wood, from New Bedford.

Loaned by Mr. Franklin Huntress.

Playground exhibit of handicrafts done by children from Webb and Weston Parks.

Lion's Club optical exhibit.

Art Week Exhibit of paintings and handicrafts.

This last exhibit deserves special note, for all the paintings and art objects were made by local artists. It was an exhibit of real merit and attracted

much interest. It has now been held in the library on two successive years and we hope that it may become an annual event.

"A PEOPLE'S UNIVERSITY"

It is not many years since libraries were considered merely as places where one might go to borrow books,—mostly fiction. The library is still that, but it is much more. Today it is "a people's university": an open door to further educational opportunity for old and young. Its educational service begins with small children, who through story hours and reading clubs and individual help in book selection, are guided to the best in children's literature. It continues with the High School student, who finds in the library the source material for his school assignments. To the adult seeking further knowledge the library offers its wealth of both cultural and practical material. This is a part of and an expression of our heritage of freedom: it is a beacon light, extinguished in many countries today, but still burning for us, lighting the way to knowledge, and truth, and understanding.

TOTAL WAR!

Just as the year closes our nation has been plunged into war, a total war involving the entire world and all our way of life. The library, like every other social agency, must contribute the utmost of its resources to the war effort.

Today the book demand is top-heavy on the practical side. Books on various defense industries and on military and naval science are demanded as never before. Here is one of the library's opportunities to serve in this war. The recreational service is also needed. Books still have the power to life and inspire the spirit, to stimulate the thinking, to entertain and relax strained nerves. They have a vital function in the morale of the nation. This fact has been so truly recognized by our enemies that they fear books and have burned great libraries. It must be our part to keep open to our people the avenues of thought through the ages, to keep open books, so that we may continue to have open and growing minds. And it will be our part to meet new demands for books, arising out of the fact that we are located in the center of a defense area and will have encampments of both the army and the navy within the town limits, and a population augmented by the families of workers in our nearby defense units.

The trustees and the library staff are ready to cooperate in this war effort: to guard the heritage of freedom of thought as expressed in literature; to make available to all the open book, for information, for recreation, and for inspiration.

Respectfully submitted,

CLARANCE P. WHITTLE,

REPORT OF THE TOWN COUNSEL

January 13, 1942

To the Honorable Board of Selectmen.

I hereby submit my report as Town Counsel for the year ending December 31, 1941.

During the past twelve months the Town has been engaged in considerable litigation, both as to number of cases and amounts involved. Of these perhaps the most important was the Bill in Equity which had been brought by certain heirs of Laban Pratt against the Town as Trustees of the fund, seeking a decision of the Court which would declare the trust voided and the money forfeited to the heirs in accordance with the residuary clause of the will. Happily they were unsuccessful. Early in the year but after the 1941 Town Report had gone to press, the Court found in favor of the Town and dismissed the Bill in Equity, thus saving this fund, which now aggregates over \$544,000., for the Town to devote to the purposes of the bequest.

Presently, under direction of the Board of Selectmen, I have drafted a petition for instructions with the object of having the Court determine whether the Town Infirmary property lies "in Weymouth Heights and in the neighborhood of the Old North Church". Such petition is in the office of the Attorney General awaiting his approval before being filed in Court. A decision interpreting this particular phrase in the will seems essential in case the Town elects to build a hospital on this location. Though the action is largely anticipatory, it may be of considerable value to have it determined at an early date.

There are still pending the cases of the Boston Edison Company vs. the Town of Weymouth, Docket No. 1161, of the year 1940, which are based upon a complaint of the Company against the Town for refusal of the Board of Assessors to abate certain taxes. A similar case, Docket No. 18384, was filed by the same plaintiff against the Town for the year 1941. These complaints allege an over-assessment in each year of the sum of about eight millions of dollars. An adverse decision would be serious indeed to the Town. Both matters are pending before the Appellate Tax Board but it appears that they should not be heard until such time as the Superior Court renders a decision on the case of the Edison Company against the Commissioner of Corporations and Taxation, which involves much the same question.

In May of 1941, fourteen residents of the Town of Weymouth brought a Bill in Equity, known as a tax payer's bill, against the Town, alleging that many of the acts of the representative Town Meeting were improper and unenforceable for diverse reasons and prayed that an injunction issue restraining the Town from paying any of the bills which they alleged were illegally contracted. This prevented payment of many accounts when due and resulted in loss of discounts and other considerable expense to the Town. The case was answered and demurred to. It was argued before the Superior Court late in July on the demurrer only. No decision having been rendered, counsel for the petitioners requested the respondent Town to agree to a dismissal of the bill without costs. A day or two thereafter this arrangement was completed and the bill was dismissed on December 24, 1941.

For some years past there have been pending many Welfare cases between the City of Boston and the Town, on which liability for payment has been questioned. Several suits had been entered in the Superior Court. In some the Town of Weymouth was defendant, in others the plaintiff. In all, there were about two hundred separate individuals involved. All cases were joined in the same suit and were tried before a Master for a period of over thirty days. The Master's Report, as filed in the Superior Court, finds for

the Town in the aggregate sum of approximately \$8900. Later information indicates this sum may be increased somewhat, and the Town should receive a check of the City of Boston in approximately this amount.

There are also three Welfare cases where the Town has brought suit against the Town of Hingham. It is my opinion that neither party will prevail in any substantial sum but that the Town will recover a small amount as a result of bringing these three suits.

There are now pending in various Courts a number of cases growing out of alleged injuries received on the highways of the Town. The Ad Damnum in these several cases, which includes one death case, aggregates approximately \$30,000. It would seem that all these cases would come to trial during the present fiscal year and I should be optimistic indeed to think that the Town would prove victor in many of them. I trust that the judgments obtained will be only a small percentage of the damage alleged.

There are also several cases where the owners of real estate have filed their requests for abatements from the Board of Assessors and have prosecuted their appeals before the Appellate Tax Board. I understand there may be several brought during the coming year as well. It seems wise that they should be contested in each case in order that the tax structure may not be successfully assailed, resulting in a loss of revenue to the Town.

A suit brought by Mary Suppa against Ernest W. Thomas, a chauffeur in the Street Department for damages allegedly received as a result of a collision between the car in which the plaintiff was riding and a town snowplow operated by Mr. Thomas. The case was rather vigorously tried and the plaintiff obtained a verdict in the sum of \$850. plus interest and costs of suit. The only offer of adjustment emanating from the plaintiff a few days before actual trial was for the Town to settle in the sum of \$3500. in behalf of Mr. Thomas. This was refused. Because no insurance has been taken out by the Town on its drivers, Mr. Thomas stands in the unfortunate position of judgment debtor in the sum recovered. For this he is personally liable, and as the accident was occasioned without gross negligence and while he was properly engaged in the course of his employment, it seems fair that the Town should reimburse Mr. Thomas by paying this judgment for him. I have so recommended to the Appropriation Committee and to the Board of Selectmen and an article has been put in the Town Warrant to make this possible.

In addition to the cases outlined above, there have been a score or more of small claims either pending or satisfactorily adjusted and rather more than this number of releases prepared and delivered to purchasers of foreclosed tax titles.

It seems that the volume of work of the department has increased many fold during the past year and it appears that the current year will be a busy one. It may be that we have been fortunate during the past eight or ten years in not having more litigation, for I suppose a \$48,000,000. corporation with its many departments and its manifold activities is bound to become engaged in difficulties and controversies that may find their ways into the Courts.

May I thank you for the kind sympathy and co-operation and through you the various departments, boards and employees of the Town for their willing assistance in aiding me in the duties of my department.

Respectfully submitted,

KENNETH L. NASH,

Town Counsel

REPORT OF THE VISITING NURSE ASSOCIATION

To the Honorable Board of Selectmen:

Gentlemen:

The Weymouth Visiting Nurse Association has completed twenty-seven years of successful work in this community and the secretary submits the following report.

The Board of Directors has held ten regular meetings with an average attendance of ten members.

The Chairman of Nurses reports 4787 calls made by the nurses during the year and fifty-one well-baby clinics held, with 591 babies examined, 150 of whom were new.

Mrs. Pratt and Miss Wilbur report 780 patients cared for during the year.

Respectfully submitted,

ESTHER W. WARREN,

Secretary

REPORT OF ELECTRIC LIGHTING COMMITTEE

December 31, 1941

To the Honorable Board of Selectmen:

This committee has maintained the December, 1940 schedule of lights. The installation of new lights has been somewhat curtailed by Federal regulations which prevented any extension of lines. These rulings have recently been modified so that shorter extensions can now be made.

The Power Company has given the Town a substantial reduction in the price of lights, the largest lights now costing from five to ten dollars less per year.

The chief advantage to the Town, however, lies in the smaller lights of which we have 1650. These lights were of 60 candlepower and cost \$17.90 per year. These lamps have been superseded by 100 candlepower bulbs, an increase of 70% in power, and the new price is \$18.00 per year.

The above facts account mostly for our unexpended balance of about \$500.

The Town now has 1776 lights, 57 having been added during the year, and our monthly bill is \$3125.

We are asking for \$37,517.00 to maintain this service plus \$450.00 for 6 months' service on 50 additional lights.

Respectfully submitted,

GENERAL ANNOUNCEMENTS

Meetings of the Committee

Regular meetings of the School Committee are held on the first Tuesday of each month at the High School Building at 8 p.m.

Entrance Age

No child shall be admitted to school in September unless he has reached the age of five years on or before the first day of April preceding.

A birth certificate is required for entrance to the first grade. Children entering for the first time will be admitted only during the first two weeks of school.

Vaccination

No child shall be allowed to enter the first grade without a certificate of successful vaccination.

Employment Certificates

Employment certificates, educational certificates, and newsboys' badges are issued at the office of the Superintendent of Schools in the High School Building from 9 a.m. to 10 a.m. every week day, except Saturday.

All persons must make personal application and present a birth certificate.

NO SCHOOL SIGNAL

2—2—2

2—2—2

The signal will be given at 7:30 a.m. when transportation by bus is impossible. Generally, schools will be open during stormy weather. Whether or not a child shall attend will rest with the decision of the parents.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Weymouth:

The School Committee herewith submits its report for the year 1941, to which is appended the second annual report of Mr. Charles R. Thibadeau, Superintendent of Schools, and other reports necessary for a concise record of the past year.

It has hitherto been the policy of the School Department, a policy recognized and accepted by the town, that our schools shall be maintained and operated at the highest degree of progress and efficiency that times and conditions demand and permit. A continuance of that policy will doubtless be expected. The state of actual war which has arrived will increase, rather than lessen, the duties and responsibilities to be required of the schools.

The budgetary estimates which appear below were computed in the same way as in previous years and before the advent of war. The increases over the previous year are due to the normal increases in salaries already adopted and which can be expected similarly to be made with the coming September, and in some measure to the known increase in the cost of materials and supplies.

It may be that in the coming year our schools will be called upon to give new services for which they are not now prepared. Any curtailments in one or more directions are likely to be offset by new obligations.

At the last annual town meeting, an appropriation was made for the purpose of purchasing two large lots of land adjacent to the high school premises, and to this committee was delegated the duty of making such purchase. A satisfactory understanding with the owner of the land has been arrived at, and a survey of the premises has been made. The records, however, disclose that while said premises are free of incumbrances, certain inaccuracies or inconsistencies of description in conveyances of former years have made it desirable that the premises be taken by eminent domain.

That there may be no uncertainty as to the actual location and description of the land to be acquired, an article is being inserted in the warrant for the coming annual town meeting designed to authorize such taking and asking for a nominal amount to be appropriated for such purpose. The real payment can thereupon be made to the owner thereof from last year's appropriation for the deed which he is ready to execute and deliver.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Committee:

In the interests of conservation, my second annual report, the fifty-sixth in a series of such reports, will be materially condensed.

The practice of including the reports of supervisors will be discontinued temporarily, while the reports of the major divisions in the department,—that is, the high school, the elementary grades, and the vocational school, will be retained, but considerably reduced in length.

The customary statistical section of the report will be continued because it provides the only complete compilation of vital information within the confines of a single reference.

In my mind there is no doubt that education is the first line of internal defense for the American way of life. Even in total war this responsibility of the schools must be met. Whatever changes in the content of the curriculums the schools of the nation may be called upon to make, the objectives will be the same. It will still be the responsibility of the schools to educate individuals in democratic competence, not only to meet the problems of war, but also the tasks of post-war reconstruction and the developing of virile citizenship.

To and above this task will be added the further responsibility of performing well the additional work caused by the crisis. We do not know what changes, what duties, or what facilities our school department will be called upon to make, to do, or to furnish; but we do know that we stand ready to make them, to do them, and to furnish them within the limit of our abilities.

I am glad to report that all the activities of the schools for the last year have been carried on efficiently and profitably, due to the good work of the teachers, principals, and supervisors. Changed world conditions, however, have brought about a change of emphasis, and will continue to produce changes in emphasis. Reports written by supervisors and the heads of special departments have explained these changes in some detail. I am including only the highlights, which follow.

Mr. Harry Arlanson, Director of Physical Education, in outlining the work for the coming year, is placing new emphasis on mass games and marching tactics.

Mr. Hilmer S. Nelson, head of the Weymouth Branch of the Norfolk County Agricultural School, stresses the importance of providing food for a great nation in a world at war, and the urgent need of new recruits in agricultural pursuits, the ranks of which have been considerably thinned by demands in other defense areas.

Miss Evelyn Silvester, Art Supervisor, stresses the importance of

art as an emotional stabilizer, a relief from the tension due to world maladjustments, and a medium for the worthy use of leisure.

Mr. Vance W. Monroe, of the Music Department, stresses, as does the art department, that in the present emergency we should take every advantage of music as a natural balancer of the emotions.

Mr. John M. Lyons, Assistant in the Music Department, explains techniques for the teaching of fundamental skills necessary for major appreciation.

Miss Harriet Berry, Supervisor of Domestic Arts, places much emphasis on the useful application of the skills taught in the sewing department.

Mr. A. Edward Haviland, Supervisor of Manual Arts, has given much thought and attention to the broadening of the experiences of the members of his classes and to the construction of useful items in the home, particularly the diversification of projects where several members of a family have passed through his classes.

Miss Sarah E. Brassill, Supervisor of School Gardens and Clubs, stresses the importance of a new and vital emphasis on home gardens, and the dignity of labor.

Miss Anna A. MacDavitt, the School Nurse, places continued and new emphasis on the valuable clinical and health work which the schools should and must continue.

Cafeteria

The increase in the costs of supplies in the cafeteria is being absorbed by the surplus built up over past years. How long this can continue is not certain, but up to the present there has been no increase in the cost of food to the pupils. Neither the quantity nor the quality has been curtailed with the single exception that white milk is served in eight-ounce bottles instead of the former ten-ounce size.

Enrollment

There were 26 less enrolled in the elementary grades as of December 31 than during the same period last year. The distribution in these grades, however, has been very uneven, necessitating the employment of an extra teacher in the Center, and another in the Edward B. Nevin School.

In order to correct the impossible situation of 55 enrolled in the combination first and second grade at the Center School, a new room was opened and an additional teacher employed.

In the Edward B. Nevin School, the problem was in the fifth and seventh grades, with enrollments of 52 and 51, respectively.

The High School enrollment was 84 less as of December 31 than in the corresponding period of 1940, the larger decrease occurring in the sophomore and junior classes. This decrease has only served to reduce somewhat the pressure of the overcrowded conditions which have been building up for several years. In fact, the number and the size of divisions still remain too high.

The defense demands have increased elections in the field of mathematics, and an additional teacher was employed.

Marking System

A new marking system was adopted in September for all grades within the School Department, the outcome of a year's study by the entire teaching force.

We are concerned with the achievement of the individual, since the whole process of promotions is dependent upon it. The system was devised to possess sufficient flexibility to enable teachers to measure as uniformly as possible achievement in each subject.

The system takes into account the fact that there may be many aspects in a total learning situation, the measure of no one of which constitutes a composite measure of achievement in a given subject.

The new marking system consists of four passing marks and one mark of failure, each of which is uniformly defined for each grade. No changes in standards have been made by the adoption of this system.

Maintenance

An extensive program of essential work was carried on in the various buildings and properties of the School Department during the year. This fact, however, does not preclude the necessity of continued effort during the coming year. The school buildings are growing older and require increasing attention; if we would keep our physical plant in a good state of repair.

The Budget

If we continue our schools on a high efficiency plane, it will be necessary to materially increase the total amount of money appropriated for schools to compensate for the decreased purchasing power of the dollar.

Air Raid Drills

Each community and each school building within each community presents its own problems in the matter of air raid defense. Specific regulations, which comply with the regulations of the state and of the nation, have been worked out for each building. Drills have been

organized for the purpose of evacuating and conducting pupils to shelter within the schools.

Defense Program

The Department is considering seriously the advisability of organizing defense courses for High School students who will be eighteen years old on or before the completion of such course, about July 1, 1942.

The report of the Director of the Vocational School gives information relative to the defense courses for the past year, and anticipated extensions.

Guidance

The work which is being done in this important area by teachers and principals is valuable and worthwhile. It could, however, be improved upon materially and be extended by employing a skilled and technically trained Director of Guidance.

In conclusion, I express my appreciation to the School Committee and to the department personnel for their confidence and co-operation, and ask for a continuance of a unity of purpose in meeting the many problems which the crisis will present.

I am appreciative also of the fine school spirit of the student bodies, and the helpful interest and co-operation on the part of parents, town officials, and other citizens.

Respectfully submitted,

CHARLES R. THIBADEAU

COURSES OF STUDY

Report of FLORA HAVILAND McGRATH

Director of Courses of Study

Although the pattern of a school year remains intrinsically the same, the emphases change. The year 1941 has seen the compilation and partial edition of a complete new course of study in reading and language; the inauguration of a mental testing program; and the usual supervisory activities so necessary in giving to the new and inexperienced teachers the tried and efficient methods of others.

Tests and Measurements

In February 1941, all pupils in grades I, III, V, and VII were given the Otis Mental Ability Tests. All results were tabulated on individual record cards in order to serve as a partial indication in determining the pupil's capacity to achieve.

In grade VII, these results were added to the pupil records already acquired through the use of the National Intelligence Tests in 1940, and will be used with other information as a means of pupil guidance.

Intelligent pupil guidance precedes the development of good citizenship and of superior leadership. An adequate testing program is regarded as a vital and necessary tool in the growth of a guidance program. The adoption of this complete testing program, then, is another step toward that which is much in need of our increased efforts,—namely, adequate pupil guidance.

The attempted measurement of mental ability is but part of the answer. Only average mental ability is necessary to have moral stamina, good work habits, right social attitudes, good citizenship, and vocational success. Superior mental ability is no more an indication of potential success than is a slightly below average mental ability an indication of potential failure. Many concomitants determine successful outcomes in this life pattern. One thing is fairly certain, however, and that is that mental superiority plus desirable concomitants mean leadership.

It is hoped that this testing program may better help us to detect the pupil who needs special help, and to discover and develop the genius.

Arithmetic Testing

In September and October of this year, arithmetic testing was conducted from grades III through VIII. In those grades where medians were low, the teachers noted class weaknesses and made immediate provision for remedial work.

The 100 Primary Addition Facts test given in grade III in September was repeated in December. Nine out of fourteen classes had a median of 95 or above. According to past records, this grade should

have a median of 96 or better in every class when the test is repeated in the spring of 1942.

Courses of Study

In 1940, teacher committees throughout the town began collecting materials for a new course of study in reading and language. These materials have been compiled and partially edited. The first completed edition is "The First Grade Manual" which is now off the press and ready for distribution. The courses for grades II, III, IV, and V have been completed and are ready to go to press.

General Supervision

Including those teachers appointed in the elementary schools in 1940 and 1941, there are twenty-four new teachers. In order to help these new teachers to attain the best teaching methods in the shortest possible time, it is necessary to convey to them the best of many methods as observed in our own schools as well as elsewhere. Excellent teaching methods are acquired only through experience, but with careful supervision, it is possible to shorten that novice period.

In Conclusion

To the members of the School Committee, to Mr. Thibadeau, Superintendent of Schools, to the principals and teachers, and to all others who have helped in any way, I extend my thanks and continued appreciation.

HIGH SCHOOL

Report of MR. WALLACE L. WHITTLE, *Principal*

In my report for the year 1940, mention was made of a contemplated change in the marking system of the High School. A great deal of effort and time has been spent on this project over the past year, both by the teachers and by the administrative force. Many meetings of the staff were held, at which the ideas of all were presented and discussed. Mr. Thibadeau very kindly attended several of our meetings in order to help in correlating any changes made with those made in the elementary grades. As a result of these conferences the change was made beginning in September. Each mark is thoroughly defined so that it should be easily understood by parents, pupils, and teachers. We definitely feel that the results will be appreciated by all concerned as a better and fairer method of grading.

Due to the fact that some people apparently feel that other changes have been made, I should like to reiterate the statement made last year

that there is no change in standards or in the amount of work required to be done by the pupils for graduation credit. We have had only one honor list in the past, but it might be advisable in the near future, to have two honor lists (high honors and honors), in order to give due credit to those who have done consistently better than average work. The present honor list would then be called "High Honors." The added list would be referred to as "Honors."

Because of increasing interest in courses containing some work in home economics, we now offer in this field three possible choices from which the girls may elect. Home Economics "A" is the regular four-year course as offered in the past. Home Economics "B" consists of two years of home economics work and two years of business training. Home Economics "C" is divided into two years of home economics work and two years of college work in order to train for nursing or dietetics.

The changes combine subjects from two different fields, giving a training not possible before. These courses were apparently well received as shown by the number of elections for this year. I feel that more girls will be interested in them, once the courses have been fully established and understood.

We have also changed our social studies program to allow a four-year continuation in that field for those pupils who are so inclined. This change offers another possible elective in place of a language, and was added because of demand due to changing conditions. The divisions in these subjects have been filled to capacity this year.

These changes have been made in accordance with our policy of offering the greatest possible opportunities to our pupils. We hope to be able to make other elections possible as the need may arise. However, our budget and physical plant necessarily limit the extent of our activities, and we may go only so far as the townspeople feel is expedient.

It seems to me that we should soon set up a guidance department. We have never had any person available for such work, except as each case might be handled by the home room teacher or by the administrators. Because of changing conditions, more and more problems arise with the young people, and I feel that, although we have done creditable work along this line in the past, additional help may be needed to keep it at the level desired.

Our extracurricular activities have continued as usual. The various clubs throughout the school have met regularly during the school year with benefit to all. A noncredit course in micro-chemistry has been offered by the science department to pupils who have had chemistry previously, and wish to have more training in this field. The class is conducted in an informal manner and has proved to be very popular. Sixty-five pupils have passed and received certificates from the state in our safety driving course. Field trips for various groups have been encouraged and well patronized. Approximately six hundred pupils are enrolled in these activities, exclusive of athletics.

Athletics have continued along a high plane with nearly six hundred pupils taking part in the various sports. All branches of this activity have been satisfactory, but I feel that wrestling and football should receive special notice. The wrestling squad won the state championship in Class A for the second consecutive year, and added Class B championship last year. The football squad completed this fall its twenty-fourth game without defeat, only one tie game marring a perfect record over a period of two and one-half years. We are, of course, particularly proud of these accomplishments, not only for the excellent technique shown, but also for the sportsmanship and spirit which has received much favorable comment from officials and other players with whom our boys have come in contact. We are particularly fortunate in having coaches who train the boys to be men as well as athletes.

Inasmuch as all filing space for our own permanent records has been filled, and new equipment needed, a new visible index system has been started. The record cards have been reorganized and contain much more information than was possible in our old card system. This additional information has been made necessary by increasing demands from employers, colleges, and government agencies. It has already been of great benefit to us from a standpoint of guidance of the pupils.

Scholarships given out in June are listed as follows:

Weymouth Teachers' Association—Kirby Weathersby, Eloise Morrison

Weymouth High School Alumni Association—Stella Parsons, Margaret Lesenechal, Louisa Hardell

Alice W. Dwyer Scholarship—Dorothy Crawford

Frederick W. Hilton Scholarship—Ruth Stub

The Monday Club of Weymouth—Helen Cromwell, Sylvia Steele

Sons of Italy and Daughters of Italy—Helen Cipullo

The Weymouth Catholic Club—John O'Connor

Weymouth Post No. 79 American Legion—Henry Burke

The award of the Weymouth High School Class of 1921 to the senior making the most "meritorious progress" during the four years was given to Richard Goodwin.

John Hoffman received the Washington and Franklin Medal for Proficiency in American History.

Marjorie Fisher was given the Daughters of the American Revolution Good Citizenship Award.

WEYMOUTH VOCATIONAL SCHOOL

Report of the Director, MR. FRANCIS E. WHIPPLE

As in the past, more boys requested admission to day trade courses than could be accommodated. It was possible to accept only 121 freshmen out of 193 applying for admission. A Committee appointed by the moderator following a vote of the Town Meeting is considering the problem of providing additional housing space for the purpose of extending the vocational program and accommodating larger enrollments in the courses now offered.

The regular school has carried along its program as in the past. Some restrictions on materials are anticipated, especially in metals and paper. The use of metal has been reduced to conserve the supply; and paper must be conserved by reducing the variety of printed forms and the quantity used. It is not expected that restrictions on the manufacture of automobiles will be reflected in employment of automobile mechanics. Their services will be needed more than ever. Plants engaged in naval construction are advertising for automobile mechanics as outside machinists. The army needs great numbers of mechanics for their equipment. Our facilities should be employed 24 hours a day in training men and youth for these purposes.

There is greater need for carpenters now, and the course in cabinet-making should be revised to emphasize carpentry.

The placement service reports that during 1941 86 boys were placed in employment; 73 additional boys found jobs by virtue of the training received here. One hundred thirteen other jobs were recorded. Fifty-four boys found employment at Fore River. Forty-two are enlisted in the military or naval services of the United States. Visits were made to five other schools for the purpose of discovering how industrial arts and general vocational courses were handled.

The total enrollment figures for the current school year are given below:

	I	II	III	Total
Auto Repair	48	15	7	70
Cabinetmaking	20	16	7	43
Printing	19	9	8	36
Sheet Metal	34	22	10	66
	<hr/>	<hr/>	<hr/>	<hr/>
Total	121	62	32	215

Of the 121 freshmen who could be admitted, 3 were admitted as special students without completing the eighth grade; 55 completed the eighth grade; 40 were members of or had completed the ninth; 12, the tenth; 1, the eleventh; 1, the twelfth grade. Nine were repeaters from last year.

Forty non-residents are enrolled. This is seven less than last year and twenty-seven less than in 1939.

Under the National Defense Training program, our Sheet Metal department has operated since January 20, 1941 from 4:30 p.m. to 12:30 a.m. during school periods and from 8:00 a.m. to 12:00 midnight during the summer months. This program is entirely supported by federal funds and is for unemployed men over 18. Seventy-nine have been enrolled. Forty-five have completed the course of training and 43 or 95.56% of available trainees have entered employment in sheet metal work or an allied trade. The average reported wage for these men is \$39.04. Approximately one-half of the enrollees came from W. P. A. rolls to be rehabilitated into private industry.

The total federal allotment for defense work was as follows:

For pre-employment refresher courses	\$10,160.11
For unemployed youth enrolled with the National Youth Administration	229.66
	<hr/>
	\$10,389.77

Sheet Metal work is only one of the trades needing new men. Two others of great importance are machine work and welding. A request for welding equipment in the amount of \$4,000 of Federal money has been granted and the major part of the machinery is on hand awaiting money to set it up. Another request for machine shop equipment to the amount of \$66,000 is pending before the Federal authorities.

Previously, Defense Training courses have been restricted to those over 18, unemployed or on W. P. A., and with mechanical ability. In the future it is planned to open these courses to boys in high school who will be of employable age before the completion of their course.

I wish to extend to the Superintendent of Schools, to the teaching staff, and to the maintenance department my thanks for the excellent support and co-operation they have given me during the year.

THE CROSS OF GRAY

Dedicated to the late Frederick W. Hilton

Mid Weymouth High's soft lawns and pines
A cross of fairest gray
Stands sentry o'er the youthful lines
Which pass him day by day.
He teaches in his gentle way
That spirit cannot die!
"Pro Patria!" we hear him say,
"Means love for Weymouth High!"

Staunch stands the watch of Weymouth High
And gives for our brave dead
These simple passwords to the hill
Where Weymouth's men are bred.
We love thee! Alma Mater!
Oh let the years roll by!
Our song we raise! Loud rings the praise!
Of grand old Weymouth High!

REPORT OF TOWN ENGINEER

To the Honorable Board of Selectmen of Weymouth,
Gentlemen,-

I submit my thirty-fifth annual report as Town Engineer herewith.

The town survey work or preparation of Assessors' maps although materially increased in the past three years continues as heretofore and includes Registry, Probate, and Land Court work; surveys, building locations and changes, new tracings for those worn beyond use; and other work necessary to revise the maps to Jan. 1, 1942.

The town survey sheets or maps are being prepared on the block system adopted in 1939 and will be delivered to the Assessors in that form.

The legal documents recorded or copied during 1940 showed an increase of nearly 15% over those of 1939 and those for the year 1941 will probably total over 1700 exclusive of probates which would indicate an increase of about 20% over the year 1940.

The new buildings, additions, and alterations show a similar increase of about 20% over those for the year 1940.

Approximately 276 dwellings (about 75% of which have garages attached) have been built in 1941; also about 61 separate garages; many other small buildings; and over 210 additions and alterations: and all have been measured, located and added to the sheets.

The new Federal post office was also built the past year.

As in previous reports I would urge the importance of promptly recording all legal documents or any plan which would serve to establish the ownership of real property.

During the past year 94 new stone bounds have been set throughout the town on streets recently accepted, and other old stone bounds raised or reset.

Additional bounds should be set the coming year.

Other surveying or engineering done in 1941 in accordance with instructions from your Board, or for other departments of the town including the W.P.A. was as follows:- Many street lines given; survey and plan of proposed widening of a part of Neck Street between North and Curtis Streets; plan of relocation and widening of a part of Norton Street between North Street and Beals Street; layout of easements for drainage purposes and establishing and giving grades for same; profiles, staking and grades for streets; profiles, staking and grades for drains; staking and grades for Nevin School grading; staking and grades for Girls' Athletic Field; staking points for street bounds; profiles, staking, establishing and giving grades for sidewalk and curb construction on many streets; preparation of a defence map (scale 200) posted at the Police Station; survey and preparation of a plan of land for the School Department; descriptions of land to be sold by the town, of easements, etc.; and other routine or incidental work.

In closing I extend my thanks to your Board, to all other town officials, and to the citizens of Weymouth for the continued courtesy shown me and my assistants in our work throughout the town.

Respectfully submitted,

Russell H. Whiting,

Civil Engineer

REPORT OF TREE DEPARTMENT FOR 1941

Gentlemen:

The year of 1941 was like a jig-saw puzzle with some of the parts missing. Tree climbers, a very essential part of our working force, due to the uncertainty of our work, enlisted in defense work in nearby industries. These men would have preferred to remain on tree work, if only the work and the income had been more steady. Someday, the importance of trees will become a first consideration, but not until the town as a whole begins to feel the loss of its shade trees and unitedly demands that something be done to protect them.

I want to impress on you at this time, two important reasons why we should become tree-minded at once and give "all-out" aid for the protection of both Forest and Shade trees:

1. The Dutch-elm disease has entered Massachusetts, and perhaps in less than five years will have spread to the eastern part of our State. The Scolytus beetle, which is a carrier of the disease, has been a resident of Weymouth for over twenty years. This beetle thrives on sickly Elm trees and only by thorough pruning and removal of dead and dying trees can we eliminate the beetle and prevent the disease from becoming established here. This takes men and money.

2. We are at war. What has this got to do with trees? The more we can do to protect our trees, the better they can protect us. How? Camouflage is expensive if it has to be provided artificially. Trees offer natural camouflage. Is not this an important consideration when we realize the danger zone in which we live? Any Army officer would tell you the same thing. Would that we had those beautiful shade trees of twenty years ago, growing in our business areas now. They interfered with business then and now they are gone these areas are exposed to attack from the air. One bomb would cause more loss of business than has been gained by the removal of the trees.

Forty odd trees were topped out in 1941 and there is an equal number to remove this year. These are dead trees, understand.

Some tree trimming was accomplished, but due to the loss of skilled help, this part of our program was not very extensive.

Under brush along the highways, on curves and at intersections was trimmed or cut back to eliminate danger spots. There is much of this work to be continued in 1942.

A small number of trees were planted, but due to the amount of work for the protection of persons and property, we do not have money enough to plant all of the trees we would like to.

There has been a great amount of repair work done on trees damaged by the transportation of heavy machinery, such as cranes, steam shovels, etc. The damage is not always the fault of the operators, but a little care on their part would eliminate some of the destruction.

My work program for 1942 is as follows:

- 1—Tree trimming
- 2—Removal of dead trees
- 3—Cabling and bracing
- 4—Trimming around street lights.
- 5—Cutting brush along highways, at curves and intersections
- 6—Poison ivy control
- 7—Fertilizing
- 8—Pulling stumps
- 9—Trimming police and fire-alarm signal systems
- 10—Tree planting

This work program will cost approximately \$5,000.00. Is this amount too much to spend to protect lives and property, and to preserve the most valuable asset we have in this Town, our shade trees. Trees that our com-

munity minded citizens of the past generations so thoughtfully gave us?
In closing, I wish to thank every one who has assisted us in our work.
It has been a pleasure and a privilege to serve you.

Respectfully submitted,

V. Leslie Hebert

TREE WARDEN

REPORT OF THE WEYMOUTH COMMITTEE ON
PUBLIC SAFETY

January 26, 1942

To the Honorable Board of Selectmen:

Town Hall

Weymouth, Mass.

On September 24, 1940 the Weymouth Committee on Public Safety was organized under the leadership of Walter E. Moore, Town Chairman. Considerable progress has been made since that time and many citizens of the Town have contributed generously of their time, talent and energy toward this work.

The Committee wishes to acknowledge the co-operation of the Honorable Board of Selectmen, Officials and citizens and it is the aim of this Committee that ultimately, Weymouth will be recognized as one of the leaders in Civilian Defense.

Much work still remains to be done and the Committee on Public Safety requires the support of every citizen in Weymouth and urges all adults to take some part in the necessary Defense activities listed below:

PLANNING DIVISION

Col. Frederick G. Bauer, Chairman, 236 Pleasant St., S. W.

PROTECTION DIVISION

Arthur A. Cicchese, Chairman, 41 Washington St., Wey.

HEALTH & SOCIAL SERVICE DIVISION

Sydney C. Beane, Chairman, 271 North St., N. Wey.

PUBLICITY DIVISION

Board of Selectmen
Town Hall
East Weymouth
Gentlemen:

The Weymouth Planning Board herewith submits its annual report for the year 1941.

Yours truly,

Raymond O. Hollis
Chairman

REPORT OF THE PLANNING BOARD FOR 1941

To the Town of Weymouth:

Matters of immediate and vital concern to the welfare of our community—plans for the future of your town—solution of the problems which current and future needs present—have all had the earnest consideration of your Planning Board during the eventful year of 1941.

Swept along as we have been in the ever increasing defense efforts of a multiple nature, it has been difficult to clearly evaluate the relative importance of matters that would in ordinary times be desirable subjects for consideration. Emphasis this past year and in the months to come must properly be in accordance with the present day pattern of maximum war effort as it can be furthered by our Town. The usual measuring sticks seem inadequate to properly determine essential recommendations of a specific nature in common place matters.

However, just as all thinking people are even now considering the solution of post war problems of an incalculable and far-reaching nature, so must the post war status of our town receive consideration even now although this may seem far distant at the moment. Our actions now should be the product of carefully weighed and considered judgement in order that those who succeed us may not be overburdened with avoidable problems and unnecessary handicaps.

Among recommendations of the past years which have been acted upon are the following:

1. Approval of Wessagusett Sea Wall.
2. Elimination of hazardous parking on Main Street, South Weymouth, near the Weymouth Hospital and Nevin School.
3. Additional facilities for the Police Department.

Recommendations for the coming year include:

1. Changes in Zoning Laws as specified in 1942 Town Warrant.
2. Comprehensive analysis of Zoning Map for purpose of determining desirable change.
3. Changes in Building Laws as specified in 1942 Town Warrant.
4. Comprehensive study of Building By-Laws.
5. Consideration of elimination of traffic congestion in Washington Square, Weymouth Landing.
6. Study in conjunction with the National Resources Planning Board leading to a 6 year Program for Capital Improvements.
7. Reorganization of Town Planning Board as required by the adoption of Chapter 211 of the Acts of 1936.
8. Straightening Pleasant Street from Police Station to junction of Pleasant and Water Streets.

The value of the Zoning Law recommended by the Planning Board and adopted in 1940 has already been proven and, it is our hope, will do much

to properly guide the development of the Town along the lines which can but result in a better community in which we live. While the present law has had its effect, certain changes will be recommended to the 1942 Town Meeting which your Committee feels will warrant the approval of the townspeople. They include a proposed increase in the minimum lot size and a change in the requirements for permits which, it is believed, will aid in the enforcement of the Zoning Laws.

Although consideration has been directed at certain specified changes in Zoning Districts at the request of certain property owners during the past year, no definite recommendations in this regard have been felt advisable. It has been felt that any such changes following only shortly after the adoption of our Zoning Map (upon which much time and effort had been spent by the Zoning Committee prior to presentation and approval by the Town) should properly be derived only from a complete and all-inclusive analysis of all zoning throughout the Town.

Your Planning Board recognizes the changing needs, however, and contemplates for 1942 such a comprehensive analysis for the purpose of determining recommendations which can properly be made in the best interests of our citizens. We urge that such specific changes as suggest themselves be presented to our Board early in 1942 so that they may receive their deserved consideration. Such recommendations will be most welcome and will indicate the interest of our towns people in the important task of planning for the future.

Situated as we are in the heart of expanding projects devoted to our national defense, it is reasonable to believe that the unprecedented residential building of the past year in our town may be expected to continue in 1942 despite priority restrictions and possible shortage of essential building materials. Accordingly, it seems wise to recommend certain changes in the Town Building Laws which will assure, in some measure at least, an improved class of building in the Town. The 1942 Town Meeting will have an opportunity to give these matters proper consideration.

The Building Laws, in some respects, seem to represent a conglomeration of matter which is not all-inclusive and sometimes difficult of interpretation. It would seem that our Building Inspector might properly make a comprehensive review of these by-laws and at an early date submit his recommendation for the consideration of our Board if he so desires or prepare for insertion in some future Town Warrant the specific changes which seem desirable.

Although curtailment of tire and automobile purchases for civilian use must inevitably have its effect on traffic problems, the possibility of traffic congestion on certain of our highways is of considerable importance. However, it is a certainty that between local, State and Federal officials, satisfactory solutions must and will be reached. The proposal of a by-pass to go around Washington Square, Weymouth Landing has been furthered by the favorable action of the State Legislature in recommending this matter for further consideration. The proposed construction of a huge shipbuilding plant in Hingham, estimated to call for the employment of 20,000 men, can but place an additional burden on our highways and every effort must be made to see that State and Federal assistance is given in meeting this added problem that confronts us.

The matters of establishment of Municipal Parking Areas off Washington Square in Weymouth Landing and in the so-called Bicknell Meadow off Jackson Square, East Weymouth, which have received the careful considerations of the Board in the years just past seem to be ones that, under present circumstances, would not be warranted particularly in view of the anticipated cost and difficulty of securing adequate entrances and exits from such areas. At some later date, it will undoubtedly be a project worthy of consideration and will then be given attention.

At one of our meetings this year the Board was privileged to have as their guests Mr. Parker and Mr. Hedden representing the National Resources Planning Board. The advantages of a long-range program of public works

were pointed out and an outline of the manner in which the necessary study should be made was presented. Briefly such a study would include:

1. Development of tabulations of background statistics over some agreed period, say ten years, covering (a) Income, (b) Operating Expenditures, (c) Debt Service, (d) Capital Outlays.
2. Forecasting, for a period of 6 years all elements of income, operating expenses and debt service. Forecasting income will involve forecasting the trend in assessed values and some assumption on tax rate to be used as a basis for the estimate.
3. Preparation by Heads of all departments having Capital Outlays of 6-year programs of improvements needed for the proper administration of their various functions.
4. With this material in hand a tentative 6-year program could be laid out for the town as a whole, aimed at providing the needed improvements within the ability of the town to pay, with recommendations as to the method of financing the capital outlays, either out of taxes or in part by bond issues, having due regard to the current town debt and a policy for its gradual extinction.

The assistance of the local personnel of the National Resources Planning Board has been offered and the Board of Selectmen have indicated their willingness to cooperate.

It is hoped, therefore, that such a study can be started and carried on in the near future leading to the formation of a 6-year program of specific recommendations for capital improvements which can be submitted to the citizens for their consideration.

For the first time in many years Russell H. Whiting, Town Engineer, was not a member of our Board, having indicated his desire to relinquish the many responsibilities which membership on the board imposed upon him and which he always assumed so satisfactorily. His technical knowledge and valued judgment were truly missed. Charles A. Jordan, an active member of our board for some years who always had exhibited a keen interest in the development of a better Weymouth, also retired this year. The past services of these two men are deeply appreciated.

Two new members, Walter B. Hefferman and Frank G. Hale, Jr., have given freely of their time and effort and the Board is pleased to have their services.

To all those who have assisted the Planning Board in 1941, our appreciation is extended.

Through your cooperation in the past and in the future, our goal for our town can be realized—"A Better Weymouth". We can and will attain it, for ourselves and those who follow.

REPORT OF THE W. P. A. COMMITTEE

January 26, 1942

To the Weymouth Board of Selectmen,
Town Hall
Weymouth, Mass.

The W. P. A. Committee for the year 1941 respectfully submits its annual report to the town.

The year 1941 marked a substantial decrease in the number of W. P. A. workers. In January 355 were on the rolls which only 121 are so engaged at the time this report is written. The number assigned to Federal projects has increased during the year so that at the close of 1941 all manual workers were so employed.

It is gratifying to note that these conditions have made it possible to greatly reduce the administrative expense.

The Committee realized at the beginning of the year the possibility of a curtailment in the available man power and endeavored to complete many of the projects carried over from previous years. Such a policy necessitated the deferment of many desirable new projects particularly the carrying out of the sidewalk program.

Town Projects worked on include:

1. Nevin School Grounds
2. Girls Athletic Field
3. Great Pond Water Shed
4. School Painting
5. Sewing
6. Housekeeping Aid
7. Town Records
8. Veterans Graves
9. Music
10. N. Y. A.

Sidewalks worked on include.

Cain Ave.	Kirkland Rd.
Bates Ave.	Laurel St.
Bayview St.	Lincoln St.
Congress St.	Lowell St.
Columbian St.	Pleasant St.
Curtis St.	Pine Circle
Elm St.	Shaw St.
Front St.	Summit St.
Great Pond Rd.	

Approximately 14,350 feet of sidewalk were constructed.

The employment of many of our workers on Federal Defense Projects in Hingham and Hull limited the local work which could be carried on and involved a problem of transportation. It was felt advisable to co-operate fully in these defense projects and this resulted in a gradual increase in cost of transportation throughout the year which reached considerable proportions. The Committee is pleased to report that through their efforts the transfer of men to the Naval Base in South Weymouth late in the year helped to relieve the town of this burden.

The Committee has co-operated in the Stamp Plan and carried on Commodity and Milk Distribution as in previous years. The Sewing Project was discontinued by the Federal Government in June.

Our thanks and appreciation is extended to all those who have assisted in any way in the accomplishment of our program.

REPORT OF THE PARK COMMISSIONERS

To the Honorable Board of Selectmen,

Town Hall, Weymouth, Mass.

Gentlemen:

The Park Commissioners submit the following report for the year ending Dec. 31, 1941.

The routine work of the Park Department has been continued as usual.

Care and maintenance has been given all parks. Greens at intersecting streets have been mowed and flowers planted wherever possible.

The Weymouth Bath House was enjoyed by many.

The Playgrounds were open for a six weeks period and supervisors in attendance during posted hours. A greater number of children enjoyed the parks than ever before.

In complying with the request of the Selectmen we are omitting the detailed playground report.

At this time we wish to thank all who have co-operated in arranging baseball schedules, giving publicity and arousing interest in our Park System.

Respectfully Submitted,

Everett J. McIntosh, Chairman
Charles W. Burgess, Clerk

ANNUAL REPORT

OF THE

WATER DEPARTMENT

WEYMOUTH, MASSACHUSETTS
1941

REPORT OF SUPERINTENDENT

To the Board of Water Commissioners,-

During the year 1941, the Water Department has experienced another active period of new land developments resulting in 290 new services and main extensions totalling 14,275 lineal feet.

The past year has also demonstrated the need of larger or additional arterial mains through the length of the town if proper fire protection is to be maintained. A test of fire flows throughout the town was made by the New England Fire Insurance Rating Association, whose report recommended many increases of main sizes, and confirmed the start which this department had already made at Main Street where an added 12 inch Main was installed from Columbian Street to Park Avenue West.

Concerning the office personnel, Miss Ashton, a very faithful and efficient clerk for fourteen years with the department, became the bride of Mr. John Welsh, and has resigned from the department.

Miss Mary Corey has been added to the staff.

Mr. Harry I. Granger has been employed to supervise the W.P.A. project of bringing records and plans to date.

The Water Department wishes to express their appreciation of the co-operation of other Town Departments.

The following tables and summaries, covering the detail of the work of the department for the year ending December 31, 1941, are respectfully submitted,

Sydney C. Beane, Superintendent

REPORT OF THE TOWN ACCOUNTANT

East Weymouth, Mass.
January 24, 1942

To the Board of Water Commissioners:
Gentlemen:

Herewith is submitted the fortieth annual report of the Accounting Department for the year ending December 31, 1941.

Outstanding accounts and bank balances have been periodically verified during the year. By this method of examination I am satisfied that the records are correct.

The Water Surplus as of December 31, 1941 shows an increase of \$15,637.92 over that of last year, while the net debt of the department has been further reduced to \$76,500.00.

Respectfully yours,

EMERSON R. DIZER,

Town Accountant.

Respectfully submitted,	George E. Curtin,
	Treasurer of the Water Department

Weymouth, Mass. Jan. 26, 1942

I have examined the accounts of George E. Curtin, Treasurer and Collector of the Weymouth Water Department, and find them correct. The records of the Collector's Department have been checked with the Treasurer at least once each month during the year, and I am satisfied that both reports are correct.

REPORT OF PURCHASING COMMITTEE FOR SUPPLIES, MATERIAL AND EQUIPMENT FOR THE HIGHWAY DEPARTMENT 1941

The Purchasing Committee publicly opened bids for highway supplies, material and equipment on April 23, 1941, at 8:00 P.M., at the Committee Room of the Appropriation Committee in the Weymouth Town Hall.

After going over the bids submitted, the Committee felt that they should have more bids on the Pick-up Truck and Coupe. They also felt that they should have a gasoline bid giving a lower net cost and a price ceiling. Bids for the above were therefore advertised a second time, were received, and publicly opened on April 30, 1941. This time bids in satisfactory numbers were received on the Pick-up Truck and Coupe. A lower bid on gasoline by the amount of cash discount allowed but with no ceiling was also submitted. It was estimated this cash discount on gasoline would save the Town between \$40.00 and \$50.00 for the year, however, and it had therefore been worth while to ask for a second bid on this item.

Voted: To purchase Barber Greene Snow Loader in accordance with vote of Town Meeting dated March 3, 1941.

Voted: To award contract for Gravel and Sand to South Shore Sand & Gravel Co.

Voted: To award contract for Crushed Stone to Old Colony Crushed Stone Co.

Voted: To award contract for Bituminous Concrete to Old Colony Crushed Stone Co.

Voted: To award contract for Gasoline to Cities Service Oil Co.

Voted: To award contract for Kerosene & Fuel Oil to Buker's Oil Service.

Voted: To award contract for Lubricating Oil to Gulf Oil Company.

Voted: To award contract for Liquid Asphalt to Arthur T. Hausler Co.

Voted: To award contract for Tar to American Oil Products Co.

Voted: To award contract for Business Coupe to Jannell Motors.
(Later awarded to Crawford Machine Works, next lowest bidder, as Jannell Motors stated they would be unable to deliver coupe within a reasonable length of time.)

Voted: To award contract for ½ Ton Pick-up Truck to Clark and Tabor Inc.

Voted: To award contract for 2½ Ton Truck to Washington St. Garage—International K-8.

Voted: To award contract for Trailbuilder to P. I. Perkins Co.—Caterpillar D-4.

Voted: To award contract for Grader to P. I. Perkins Co.—Caterpillar No. 112.

Voted: To award contract for 10-36 x 8 Tires & Tubes to Cities Service Oil Co.

Voted: To award contract for 10-34 x 7 Tires & Tubes—½ to Twin Motor Sales—½ to Crawford Machine Works (as both quotations were the same). (Crawford Machine Works asked that the whole contract be given to Twin Motor Sales.)

Voted: To award contract for Roller to Buffalo Springfield Roller Co.

After submission to the Town Counsel, contracts were signed on May 12, 1941, with the following concerns for the following items:

South Shore Sand & Gravel Co.	Sand & Gravel
Arthur T. Hausler Co.	Liquid Asphalt
Clark & Tabor Co.	½ Ton Pick-up Truck

Buker's Oil Service	Kerosene & Fuel Oil
Cities Service Oil Co.	Gasoline
American Oil Products Co.	Tar
Barber Greene Company	Snow Loader
Old Colony Crushed Stone Co.	Bituminous Concrete
Old Colony Crushed Stone Co.	Crushed Stone

After submission to the Town Counsel, contract was signed on May 21, 1941, with Crawford Machine Works Coupe

On Tuesday, May 27, 1941, Mr. Emerson Dizer, Town Accountant, informed Mr. Thomas Kelly that no more bills for the Highway Department would be paid until the Court decision was received on a Taxpayers' Bill in Equity asking for an injunction against the Town. At 4 P.M., Tuesday, May 27, 1941, Judge Nash, Town Counsel, asked that the Purchasing Committee deliver no more contracts until after a decision had been given by the Court on the aforesaid Bill in Equity against the Town. No more contracts, therefore, were sent out by the Committee and those who had received awards were notified by Mr. Kelly of said Bill of Equity.

Contracts which were not sent out were as follows:

Lubricating Oil	Gulf Oil Co.
2½ Ton Truck	Washington St. Garage
Trailbuilder	P. I. Perkins Co.
Grader	P. I. Perkins Co.
10-36 x 8 Tires & Tubes	Cities Service Oil Co.
10-34 x 7 Tires & Tubes	Twin Motor Sales
Roller	Buffalo Springfield Roller Co.

The following items of supplies and equipment were delivered by the vendors without signed contract having been received by them, but on the original awarding of the contract to them:

Lubricating Oil	Gulf Oil Company
Roller	Buffalo Springfield Roller Co.
Grader	P. I. Perkins Co.

The following equipment was received after the withdrawal of the Bill in Equity, December 29, 1941:

Trailbuilder	P. I. Perkins Co
--------------	------------------

When the motion for withdrawal had been filed on December 29, 1941, orders had been issued by the Government freezing the delivery of heavy duty trucks. The contract for the 2½ Ton Truck was delivered to the Washington St. Garage, however, and the International Truck was billed to the Town, bill to be paid if the Government allows delivery of the truck to the Town. It is not known at this time whether or not this truck will be delivered.

When the motion for withdrawal had been filed on December 29, 1941, delivery of tires had also been frozen by the Government. Up to the present time, the Committee has been unsuccessful in obtaining delivery on the contract for 10-36 x 8 Tires and Tubes to the Cities Service Oil Company and the contract for 10-34 x 7 Tires and Tubes to the Twin Motor Sales.

To sum up, therefore, the Town has not received the twenty Tires and Tubes and the 2½ Ton International Truck.

The following amount of money was lost to the Town due to its inability to pay Highway Department bills from May 27, 1941 to December 29, 1941:

CASH DISCOUNTS LOST

Cities Service Oil Company	\$ 33.46
Old Colony Crushed Stone	368.10
Clark & Tabor Inc.	47.00
P. I. Perkins	249.25

Barber Greene Co.	72.00
N. E. Concrete Pipe Corp.	32.52
Arthur T. Hausler Co.	45.86
Chase Parker & Co.	18.45
Miscellaneous Vendors	20.30

INTEREST CHARGES

Barber Greene Co.	123.00
Crawford Machine Works	7.84

TOTAL	<u>\$1,017.78</u>
-------	-------------------

Repairs to the extent of \$287.74 were made in December, 1941, on the truck which was to have been taken by the Washington Street Garage at a trade-in value of 551.95 on the new truck.

The services of a Trailbuilder hired by the Town during the past summer and fall cost \$882.00.

REPORT OF THE WEYMOUTH MUNICIPAL AIRPORT COMMITTEE

To the Honorable Board of Selectmen
Gentlemen:

We hereby submit the Committee's final report.

Members of the Airport Committee of Weymouth have been extremely zealous in their endeavors to have constructed within the town a municipal airport. They realized that Weymouth, unlike most towns and cities, was fortunate in having a large area of land suitable for such a purpose.

Their convictions were strengthened during the year when the United States Government, in search of a site to be used for the operations of lighter than aircraft, accepted an invitation from the Airport Committee to investigate our site.

The Weymouth site was eventually accepted as the eastern base by the United States Navy. Work on the base was started this year and at the present time is well on its way to completion.

The Committee recommends that the town take steps to investigate a site in South Weymouth: bordered westerly by Swamp River, Northerly by Whitmans Pond, Easterly by Pleasant Street and Southerly by Pleasant Street; which could be developed into a municipal or military airport.

REPORT OF THE TOWN ACCOUNTANT

East Weymouth, Mass.

January 26, 1942

To the Board of Selectmen:

Gentlemen:

Herewith is submitted the fortieth annual report of the Accounting Department, classified in accordance with the requirements of statute.

The practice of frequent examination of the accounts of town officers has been maintained throughout the year and the cash and securities of the Town found to be as reported.

A complete audit of the books and accounts of the Town was made this year by the Division of Accounts of the Department of Corporations and Taxation, in the report of which they state "An examination of the balance sheet shows that the financial condition of the Town is very good" and "The efficient manner in which the work in the several town departments has been performed is worthy of commendation". A great deal of satisfaction accrues to this office when such audits are made. The detailed report of this examination will be found printed in the report of the Town Clerk.

Unexpended appropriation balances amounting to \$102,766.20 were turned back to the treasury at the close of the year which accounts principally for the Surplus Revenue of \$221,909.12.

Another substantial payment has been made on the general debt of the Town, reducing the Net Debt to \$300,000. as of December 31, 1941. If the general "pay-as-you-go" policy of the past few years is maintained the Town will be very close to being debt free at the end of a five year period.

With defense activities and other needs arising under war conditions, predictions for the coming year are hazardous, but it would seem that the Town of Weymouth is in a sufficiently sound financial condition to meet all reasonable demands and maintain a tax rate not far from that of recent years.

The resignation of Miss Mary E. Ford, who served as secretary during a period of 18 years, became effective September 1, 1941. Much that has been accomplished was in a large measure due to her efficient and devoted service for which I record my grateful appreciation. Miss Virginia A. Oliva, whose connection with this office extends over a period of 10 years, has been placed in the position thus made vacant.

I also fully appreciate the co-operative assistance that has been given me by all officials, department heads and other employees.

Respectfully submitted,

EMERSON R. DIZER,

Town Accountant
